Captain Shreve: 1972

Within the covers of this book lies the story of a year at Captain Shreve. The year is 1972; the story concerns the people and activities which make this year special.

The year includes a busy schedule of classes, tests, and homework. Each person strives hard to attain the top goal in courses and experience the joy of success. Besides the academic activities of the school year, there are pep rallies and football and basketball games, where the student body is united with an excited, vibrating spirit for the green and gold. There is also spirit, as well as respect, for the great American heritage which fills each soul with pride and gratitude. Yet adversity is experienced by each person at some time during the year. A failing grade or the loss of an important game brings a feeling of disappointment and the sting of defeat. But each of these experiences builds character and provides strength. Disappointments and joys are shared by friends — those people who care and are always willing to listen. New friends are found while old friendships grow and flourish. One of the joys of being a friend is seeing other classmates learning, growing, and searching for knowledge, truth, and a better tomorrow for himself. Each student searches to find who he is, why he is, and where he is going.

The activities of all these individuals at Captain Shreve combine to make 1972 a special year. 1972: a year of achievement, spirit, adversity, caring, friendship, growth, and lasting memories.

CAPTAIN SHREVE
HIGH SCHOOL

ACADEMIC LIFE: 1972

Powell Conducts Gator Activities

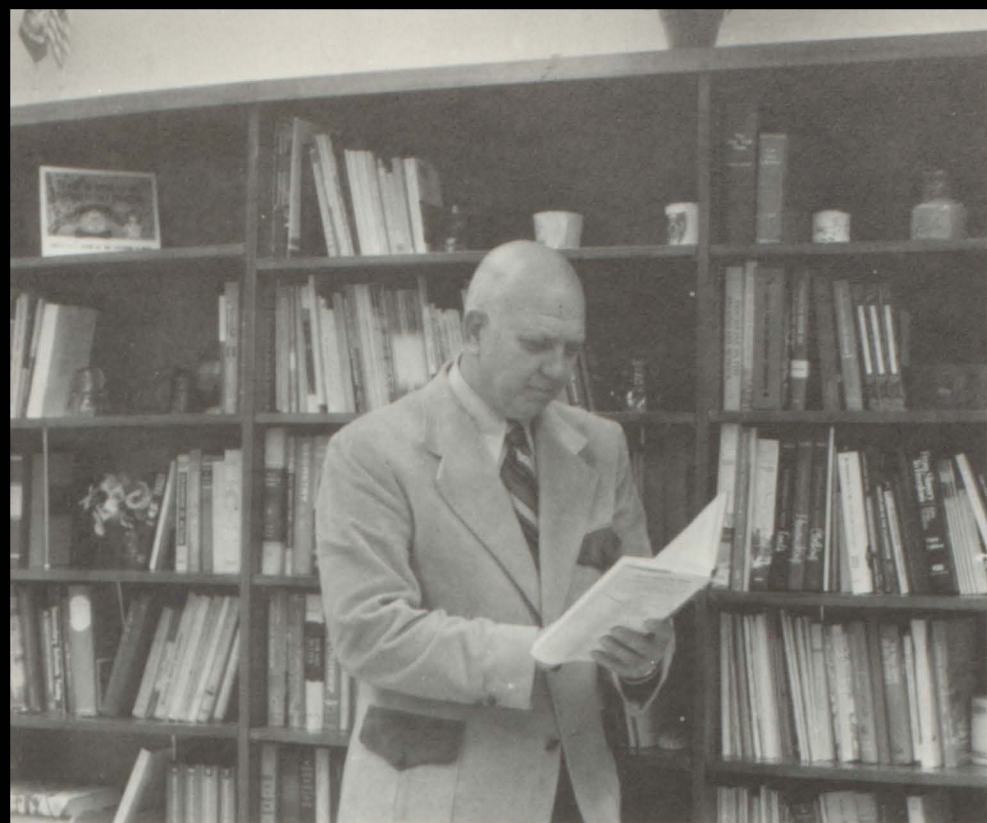

As students reach a high school level of maturity, they realize that a principal is someone not to be feared, but admired and respected because of his patience, wisdom, and guidance. This type of person is exemplified by Mr. Stanley Powell, principal of Captain Shreve since its opening.

Mr. Powell has worked successfully to unite the student body and to promote understanding between the students and faculty. Supervising the many facets of school life requires a tremendous amount of time, but Mr. Powell always finds time to help a student or a teacher who needs his advice or assistance.

TOP RIGHT: Mr. Powell finds a quiet moment at Captain Shreve as he comes downstairs between classes.

Assistant Principals Coordinate: Rains, Wagner Advise and Direct

Mr. Jewell Wagner and Mrs. Sarah Rains, assistant principals, greatly aid Mr. Powell in the operation of Captain Shreve High School. These two people are essential in carrying out school activities and other functions successfully.

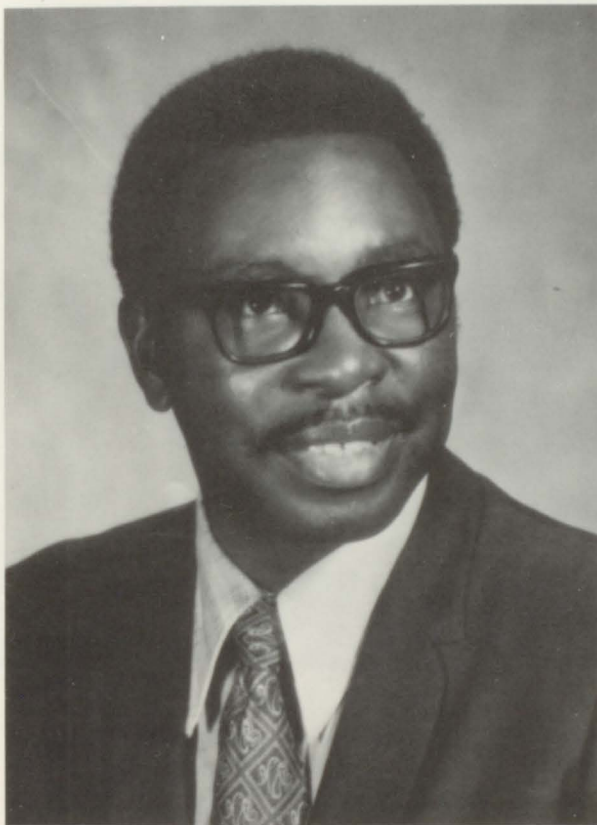

Mr. Wagner, along with many other responsibilities, supervises disciplinary problems, confers with teachers, and attends to arrivals and departures of buses.

Mrs. Rains is responsible for keeping records, advising teachers, orientating students, and other numerous tasks. She is also familiar with students as a substitute teacher many times during the year.

Counselors Test Mental Maturity

Guidance, advice, and information can be easily obtained from the counselors at Captain Shreve. Mrs. Powell helps freshmen and sophomores become acquainted with new surroundings. Helping juniors with curriculum requirements and any other problems is Mrs. Walker, the junior counselor. The seniors' counselor, Miss Franz helps to prepare the students for college.

Mrs. Kendall serves Captain Shreve as administrative coordinator. Some of her many duties are the scheduling and registration of classes, organizing the scholarship and mental maturity tests, and coordinating all other counselor activities.

Secretaries Keep Record of Grades

Organizing permanent records, recording grades, and changing students' schedules are just some of the many services rendered to Captain Shreve by the secretaries working in the office. There are very few occasions when Mrs. Young, Mrs. Layton, and Mrs. Morris cannot be found at their typewriters, or at the files, or at the vault working on some type of school business. They are assisted in their jobs by the many girls who work in the office during their study hall period.

Mrs. Savony manages the front office. Her many jobs include checking students in and out, phoning home about absentees, and answering all calls to the school.

English Courses Create Originality

English courses are of utmost importance in high school. Knowledge of grammar, literature and vocabulary is essential in all fields. Freshman and sophomore students are introduced to the basics of grammar and literature. Juniors are exposed to an in-depth study of American literature and formal writing techniques.

Senior English students now have a wide choice of courses to choose from. Included are novels, a study of the history of novels; humanities, a reflection of thoughts pertaining to the attributes of man; and creative writing, a course in which advanced writing techniques are developed.

English Presents Variety of Interest

Journalism, drama, creative writing, and speech departments are quite exceptional. These courses enable students to verbally express thoughts about different issues and provide a variety of interests for English students.

Mrs. Bridger's creative writing classes learn the required information for senior English and also study styles of well-known authors. In drama students learn through acting. One performance presented by the drama club was "The Curious Savage." Under direction of Mrs. Lawson, Journalism students sell the "Enterprise." Mr. Bogan heads the speech classes and debate team.

History Courses Provide Variety

Captain Shreve offers a wide variety of social studies courses. These include American history, world geography, sociology, government, economics, and world history. Two new courses, ancient history and medieval-modern history, have been added to the department this year.

The activities possible for these classes make the study of history more interesting. There are many films and film strips available for teachers to use. Some classes are able to hear lectures given by a visiting speaker. To increase the awareness of the students, many classes also discuss current events.

Math Challenges Students' Skill

Algebra, general math, geometry, business arithmetic, computer programming, advanced math, and senior arithmetic provide a number of different areas from which to choose a math course.

For students who want a basic understanding, a good choice would be general math or senior arithmetic. Algebra I and II and geometry offer a challenge to students preferring to work with concepts and reasoning. Students with a strong math background may want a more difficult course such as computer programming or advanced math. Business arithmetic offers a sound basis for everyday mathematics.

Science Utilizes Many Visual Aids

Captain Shreve has an excellent science department, providing students with several interesting science courses. These classes include general science, biology, physics, and chemistry.

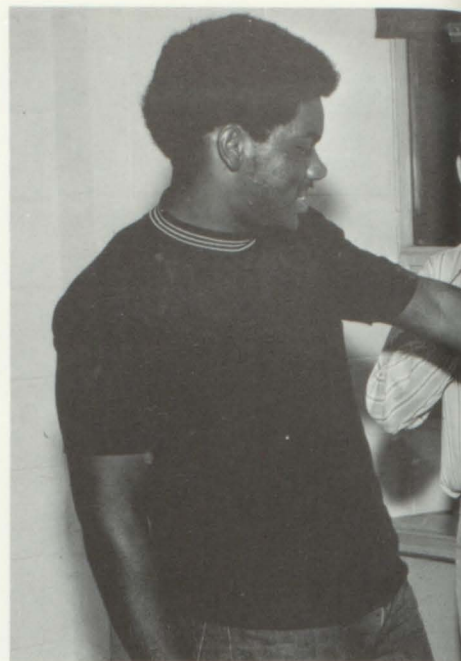

Many visual aids add variety and diversity to each study. Biology classes are able to conduct frequent lab days using the microscopes or dissecting the specimens that are available to them. Students that take chemistry learn through research and much experimentation. The study of general science gives a basic foundation in many areas of science. In physics, students have complex equipment to use for study.

Languages Teach Foreign Culture

The study of a foreign language requires many hours of careful work. Students must learn vocabulary, pronunciation, and rules of grammar before they are able to speak, read, or write the language.

Having some knowledge of the language's history or the history of the countries in which the language is spoken gives broader interests to the course. For this reason, teachers try to give the students a general historical background. The languages taught at Captain Shreve are French, Spanish, Latin, and German. The use of tapes, records, and films aid in the mastery of each of the languages.

Business Courses Are Beneficial

Our business world is rapidly growing and expanding. To fulfill the needs of this society, business courses are offered at Captain Shreve. Such courses as bookkeeping, general business, shorthand, typewriting, and clerical practice complete the wide choice. Each course pertaining to different fields of business.

Students taking dictation, practicing typing, completing business forms and operating copying machines are common scenes in business education classes. By developing such skills, business education students are given the chance to gain practical and useful knowledge that is helpful in the future.

DE Students Are Learning Skills

Distributive education gives students an opportunity to receive business training as they attend high school. They learn skills needed for future employment, and frequently their job provides experience helpful in any type of business.

The students work in the afternoon after attending class in the morning. They take a few regular courses plus a distributive education class in which they learn about saving the money they have earned and how to deal with the people they meet each day. They are employed in many different places such as department stores, gift shops, and grocery stores.

Wise Choices Made in Home Economics

Home Economics provides experience in homemaking. With the help of touch and sew machines, dishwashers, and self cleaning ovens, students learn to make and care for clothes and to cook different foods.

Home Economics helps the student to prepare for a future in the home and also teaches the girls to make wise decisions concerning foods, as well as preparing them. Issues such as decorating, designing, dating, marriage, and childcare are discussed. Students are also faced with problems and aspects of adulthood. Through discussion and planning, they learn to overcome obstacles which may occur in their future.

Industrial Art Requires Skill

Industrial art classes include mechanical drawing and small gasoline engines. Drawing blueprints and learning the parts of an engine are different phases of this course.

Small gasoline engines help students have a better knowledge of repairing, dismantling and assembling gasoline motors and engines of all types. Mechanical drawing and measurement demands accuracy and skill in drawing. This course teaches the student how to draw plans for houses or buildings. Students also reproduce pictures of floor plans, maps, and graphs. Both small gasoline engines and mechanical drawing prove to be beneficial to interested students.

Drivers' Education Encourages Safety

Drivers' Education is a program that is helpful to students learning to drive. Lower insurance rates and incentive for safe driving techniques are two of the numerous benefits presented through this course.

"Drivers' Ed" includes thirty hours of classroom instruction which increases the student's awareness of the need for car safety. Students see true-to-life films on auto-safety, learn to change tires, and take tests on color blindness, vision, and depth perception. To complete the course, six hours of actual driving is required. While driving, the student is accompanied by an instructor and receives helpful suggestions.

ROTC Active in School Projects

Captain Shreve High School has an outstanding ROTC program which trains students for military careers and develops leadership.

While in the classroom, students study military strategy, history, and the handling of weapons. As recognition for those who achieve perfect scores in military science, the commander of cadets lists their names on the honor roll. Many of the cadets participate in activities such as the drill team, rifle team, and color guard. They also organize money making projects for summer work camps. Sergeants Chiasson and Freeman are fine examples of military leadership who direct their ability toward molding the future of America.

Art Classes Use Creative Talent

Captain Shreve's art students decorated the bulletin boards in the office and also showed their work in the cafeteria. During the production of the school play they provided an excellent exhibit in the auditorium foyer.

Many very talented students are at present learning skills which they plan to use in a career as an artist. Some of the projects completed by the art department are pen and ink sketches, still life drawings, abstract paintings, and the construction of brightly colored masks. The students taking art use their creativity to express their feelings and to perfect their artistic skill.

Gators Display Musical Ability

Many forms of musical ability are molded and shaped by the music department. It offers students a chance to learn music theory, appreciation, and skills. The sound of students playing an instrument in the band or orchestra or singing in the choir can be heard in the music wing of the building all day.

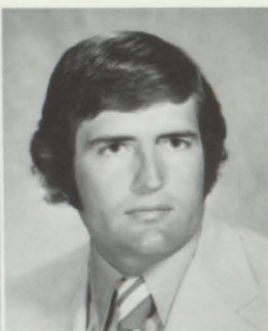

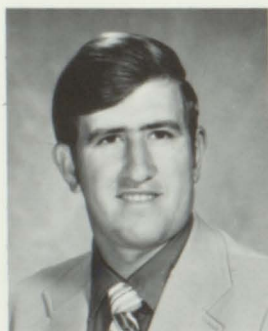

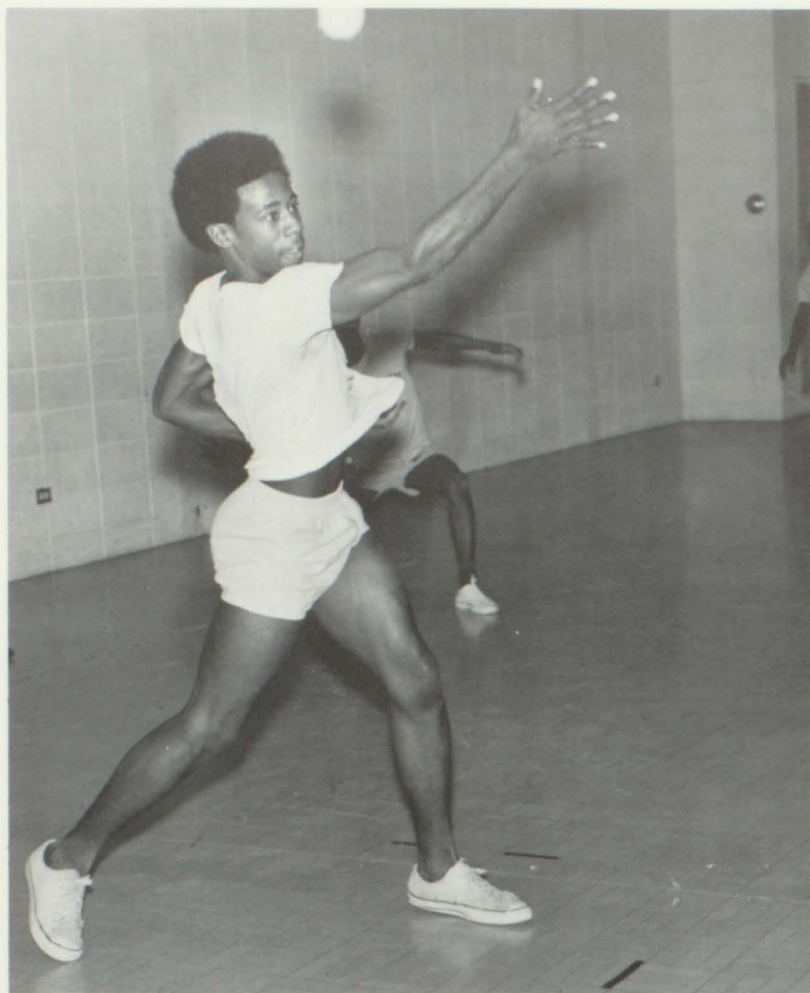

All three music organizations, the band, the orchestra, and the choir performed at the school many times during the year, either for special meetings or the student body. They also attended some public functions as well as festivals and competitions throughout the state.

Boys Strive for Physical Fitness

Physical education is an essential activity in a successful school program. It enables the student to develop and improve skills, and accuracy in many different sports and activities. Through the execution of these skills self discipline and coordination are acquired.

In boys' physical education classes a variety of sports are offered. Those included are football, basketball, soccer, handball, baseball, volleyball, weight-lifting, gymnastics, tennis, and wrestling. Grades are earned according to daily participation, skill tests, and the mental attitude of the student. As a whole physical education classes strive to achieve complete physical fitness.

Girls' PE Class Develops Skills

Physical education is a required subject for high school students. The girls participate in a different sport each six weeks and practice to develop skill in it. These sports include archery, volleyball, soccer, softball, and basketball. They take one six weeks of health also.

Girls learn exercises in gym classes and strive to stay physically fit. Their grade is based on skill, participation, and attitude. They are also given a written test on the history, rules, and statistics of each game. They learn to practice good sportsmanship and to work together on a team with other girls.

Teacher's Aides Help by Grading

Grading papers, substituting for regular teachers, keeping study halls, helping students with assignments, and assisting teachers by making visual aids are just some of the various duties that the teacher's aides have.

Mrs. Daugherty, Mrs. Moon, Mrs. Goodwin, and Mrs. York are Captain Shreve's aides. They perform services that enable the teachers to have more time to prepare lessons and to spend time with students needing help. These teacher's aides are kept very busy all during the day by running off tests, typing worksheets and doing any other jobs requiring their assistance.

STUDENT LIFE: 1972

Seasons Play Role in Students' Moods

Inside Captain Shreve's climate-controlled buildings it is easy to forget prevailing atmospheric conditions: one day is much like another, weather-wise. The changing of the seasons is still noticeable, however, even if changes in the weather are not. Each season brings with it a new and different attitude characteristic of the time of year. In autumn the school shows the signs of an active football season; in winter Christmas decorations herald the holiday season; in spring anticipation of the year's end fills the halls. The seasons play an active part in school life as they determine each student's perspective and outlook.

Fall Means Games and Gator Pride

The nine months of the 1971-72 school year appear endless on a sultry September day, stretching into what seems to be the distant future. The Captain Shreve-Byrd games, midterms, senior parties, and graduation are the memories of past years and not the realities of the present.

But soon Indian summer turns to fall. The air conditioners no longer run full blast; the Gatoettes no longer swelter in their wool uniforms; the days no longer drag in comparison to summer. Autumn, bringing thoughts of football games and senior rings, erupts in a flame of Gator spirit to kick off the school year.

Midterms, Cold Usher Winter In

Basketball season begins with inconspicuous road games, Christmas decorations appear in the school, the second six-weeks ends, and suddenly it's winter. Winter sets in with cold rain and days trapped in the gym, with late hours cramming for algebra midterms, with hall passes and admits to escape the classroom, and with canned-food baskets for needy families. Winter sets in with its monotonous routine and only the people help the days go by. Winter sets in, and into the midst of the dreariness comes the realization that it's half over. The school year so recently clean and new has rapidly been filled with remembrances.

Spring Arrives; Graduation Nears

Sometime between the midterm break and the Easter holidays the dandelions come out in the schoolyard. There's one warm weekend, and the next Monday every girl wears spring clothes to school. The warm spell doesn't last, but the warm feeling does; winter is over; spring is here; the year is ending. As spring progresses, student helpers pick up textbooks; students suffering from "check-out fever" pack the office; seniors prepare for their final final exams. The class of '72 leaves for the last time, and just as weary underclassmen tire of the daily grind and anticipate total collapse, school is out. The year is over.

1972 School Year Comes to a Close

One school year seems much like any other to an outsider: football, basketball, track; Thanksgiving, Christmas, midterm, Easter; elections, carwashes, candy sales, dances; classes, tests, lectures, homework. To the Captain Shreve student body, however, each year is different: each year has its own memories. New friends are made, new clubs formed, new knowledge gained, and the long nine months speed by. The year, filled with achievement, spirit, adversity, caring, friendship, growth, and memories, ends. The 1971-72 school year will remain, not as 180 dates on a calendar, but as a year of happenings and remembrances to treasure for years.

ORGANIZATIONS: 1972

Student Council Helps Form Unity

Under the guidance of Miss Marie Rinaudo and the leadership of the 1971-72 officers, the Student Council played an important role in maintaining the high standards of past years. This year the Student Council participated in Walk for Fund, conducted Student Council senatorial and cheerleader elections, and acted as a liason between the students and faculty. The Student Council also served as secretary and host of the Northwest Louisiana Student Council.

The patriotic Homecoming Dance, "The Great American Dream," was designed to instigate feelings of loyalty and unity among the students for their school and their country.

Z Club Activities Aid CS, Community

Sponsored by Miss Lee, this year's Captain Shreve Z Club worked countless hours in serving the school and the city. During the week prior to the Fair Park game, the club decorated the school with banners and sponsored a spirit breakfast. In keeping with their yearly tradition, they sold Christmas stockings in December. They also gave valuable assistance to the teachers. Included in these services were typing, grading and mimeographing tests, and other helpful aids.

In addition to duties at the school, Z Club worked with children of Brook Street School, and gave a Halloween and an Easter party for the Holy Angels' School.

Interact Builds School Spirit

Beginning their many services to the school and community by participating in the Walk for Fund, Interact worked hard all year for the betterment of Captain Shreve and Shreveport. The members and sponsors could be seen constantly painting banners, making shakers, and promoting school spirit throughout football season.

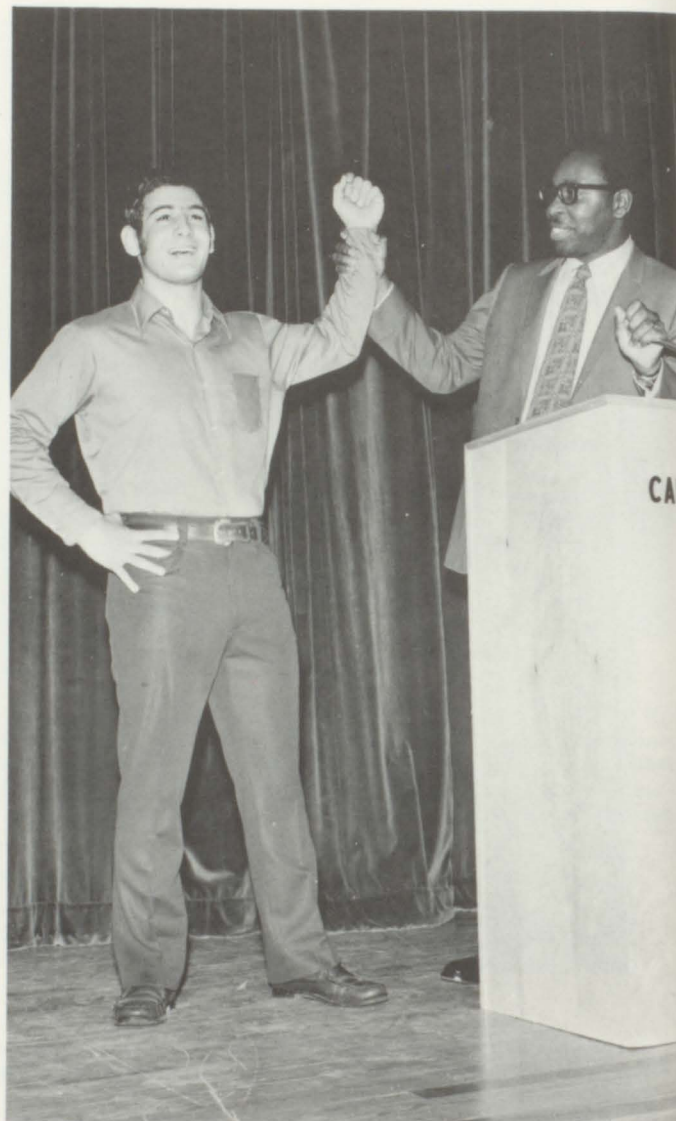

The Student Directory, published in December, was the result of long hours and hard work on the part of Interact. Interact also sold poppies, sponsored a pre-game pep rally for the Byrd game and held an Interact-faculty basketball game. By these many services, Interact proved a worthy example of C.S.

Key Club Walks For United Fund

Emphasizing the advantages of the American way of life through services for the school and the community was the aim of this year's Key Club.

In October members participated in Walk for Fund, and in November they sold poppies to help Veterans. Several other charitable organizations received aid from Key Club. Included were the Heart Fund, the March of Dimes, and the Muscular Dystrophy drive. The club also worked in several Kiwanis Club functions. At Christmas the members joined with Z Club in a clothing drive. They also worked to keep the cafeteria clean. Mr. Bingham sponsored Key Club.

Spirit Boosted by Leo Contest

School Spirit received a boost from the efforts of Leo Club to inspire enthusiasm among the student body. The organization sponsored a contest in which the owners of the best decorated car received a prize. During the Christmas season, the members visited rest homes providing the residents with seasonal cheer. The organization served the school in the capacity of cafeteria workers for three months.

The club promotes standards of ethical excellency and qualities of leadership. Through experiences in the community developing these characteristics the members hope to cultivate international understanding.

German Students Promote Variety

German Club students participated in many unusual activities during the year. They made lanterns used to celebrate Christmas in Germany. The German band was part of the entertainment at the Christmas party. Soccer games were held by the club, on Saturday mornings, to promote the fellowship of its members. The German Club also celebrated the "Oktoberfest" with a party. To raise money for these activities, the club sold candy at the beginning of the year.

Sponsored by Mrs. Page, the club was given the opportunity to hear guest speakers and see films and slides of Germany at their bi-monthly meetings.

French Club Uses Language Tapes

Interest in the French language encouraged students to participate in the French Club this year. All year the officers and club members alike were busy broadening their knowledge of the French language and customs. Bi-monthly meetings were held, at which the club listened to speakers and watched films. One of the purposes of the club was to have fun as a group. The fun was fulfilled through singing, games and field trips.

This year's club was under the guidance of Mrs. Louie Chalfant. The French Club has the reputation of being a spirited and active club, this accounted for its large membership.

Spanish Club Has Spring Banquet

Members of the Spanish Club were involved in many activities this year, which provided many hours of fellowship. Meetings were held on the second Tuesday of each month. With the largest membership in the school, the club was able to greatly promote spirit and to further the knowledge of the Spanish culture.

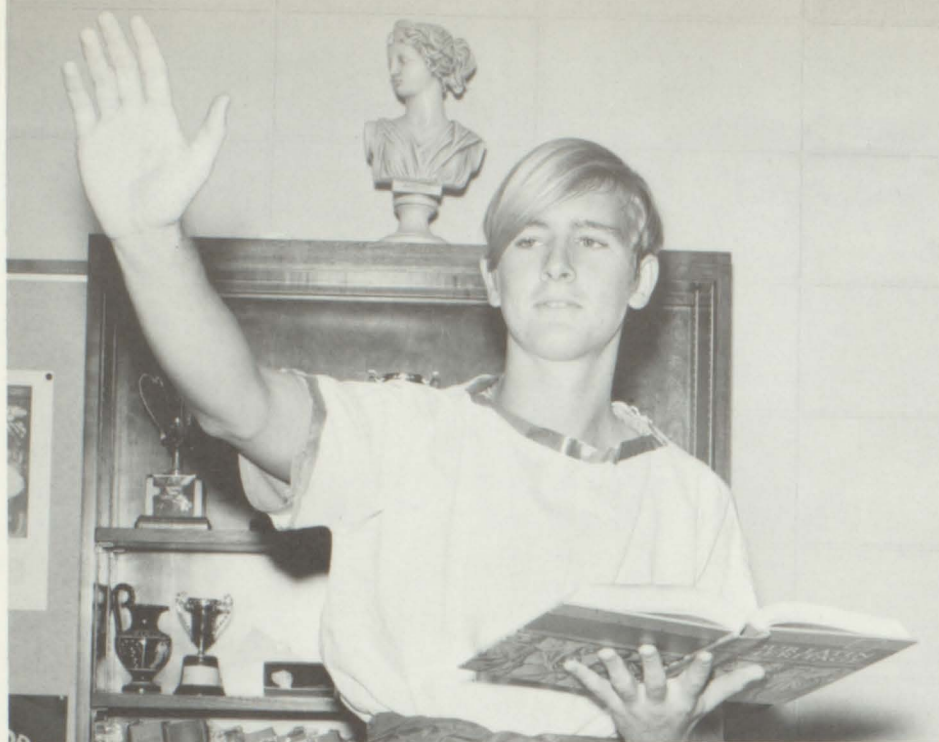

Under the direction of the sponsors, Mrs. Horne and Mrs. Smith, the Spanish Club won the spirit banner contest for the second consecutive year. The members also ate at Pancho's in November and had their traditional piñata party at Christmas. The Spring banquet climaxed the year for the club.

Drama Club Runs Curious Savage

Drama Club was organized to offer students experience in all facets of the theatre. Students have an opportunity to study production, performance, and to develop an appreciation of the dramatic arts. For the first time, the club affiliated with International Thespian.

Roles were cast for the parts of The Curious Savage in the fall after weeks of rehearsal, the production, ran for three nights in November. The major production of the second semester was a trio of one-act plays. Individuals and teams made dramatic presentations in various events at tournaments and festivals.

Tribute Paid to Veterans by CS

Many field trips and tours were taken by the History Club in an effort to increase interest in history and to gain knowledge through experience. The members of the organization made a trip to Jefferson, Texas. Later, they visited Natchez, Mississippi, to see antebellum homes there. The tour met with the members' approval. They also went to the James' plantation, where they saw the cotton gin, old store, and other sundry attractions on the plantation grounds.

The History Club of Captain Shreve honored service men on Veteran's Day in October. The school gathered around the flagpole at eleven A.M. to pay tribute to veterans.

Field Trips Set for Physics Club

Members of Physics Club planned for an exciting year of events. Guest speakers were invited from several technical companies to discuss theoretical and practical applications of physics, the science dealing with matter and energy. Field trips were set up in order that members might have an opportunity to see the operation of incorporations and corporations such as Pennzoil United and IBM. The organization also visited the Physics Department of Centenary College and NASA in Houston.

The club offers students a chance outside of the classroom to observe, study, and put to use acquired knowledge of physics.

Bazaar Held by Future Teachers

One of the opening activities for members of Future Teachers of America was a convention. Several fund raising projects followed. Included in these efforts, was a bazaar at which various items were sold. The organization collected and created spirit shakers from used cans and painted banners.

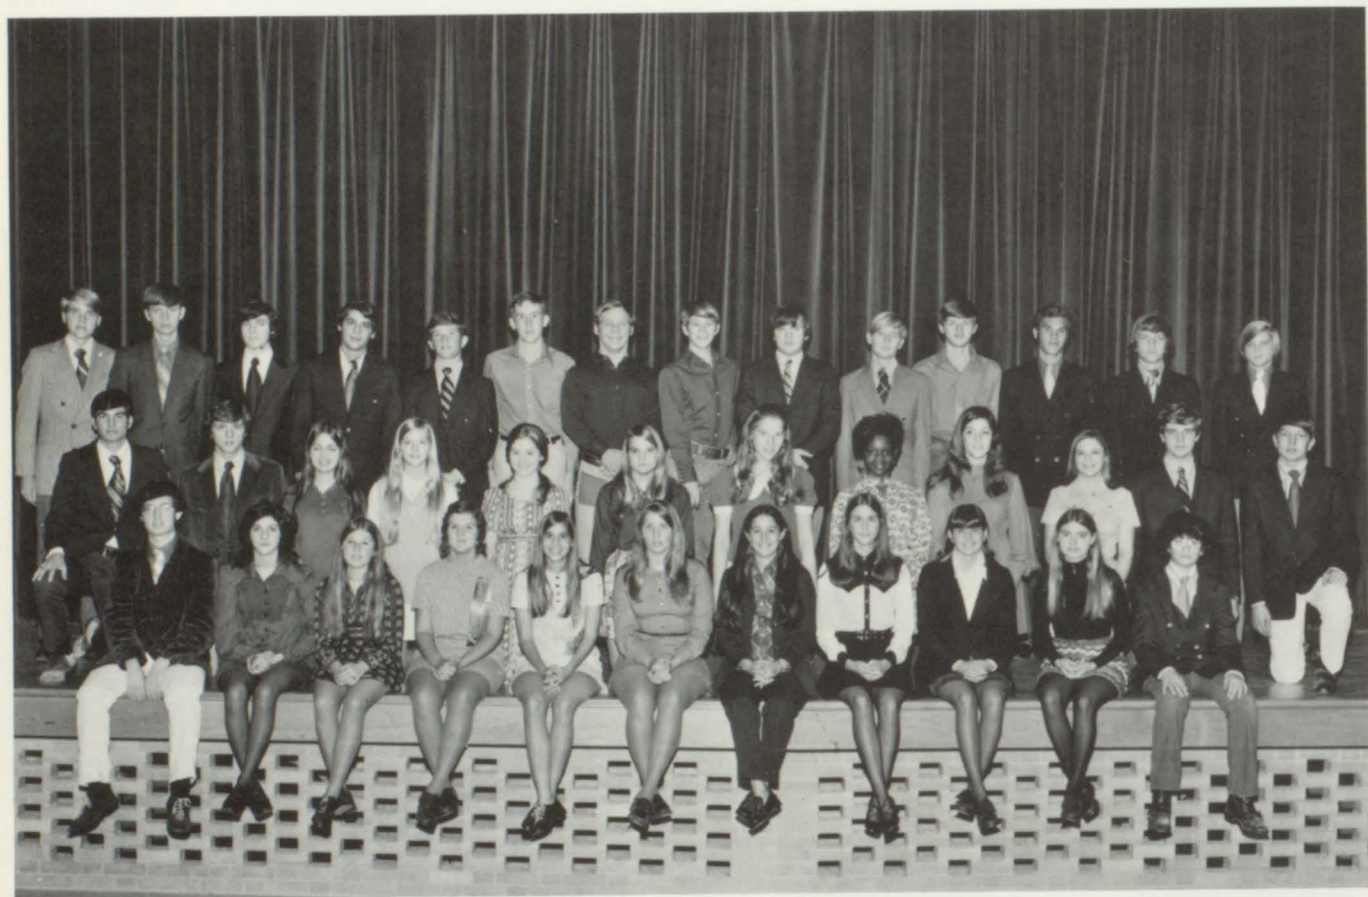

FTA was designed to develop an interest in the teaching profession and in other related fields. The club members gave time and service to the Captain Shreve student body through the promotion of spirit. The group lightened the faculty's load by performing such duties as grading papers.

Science Involves Original Research

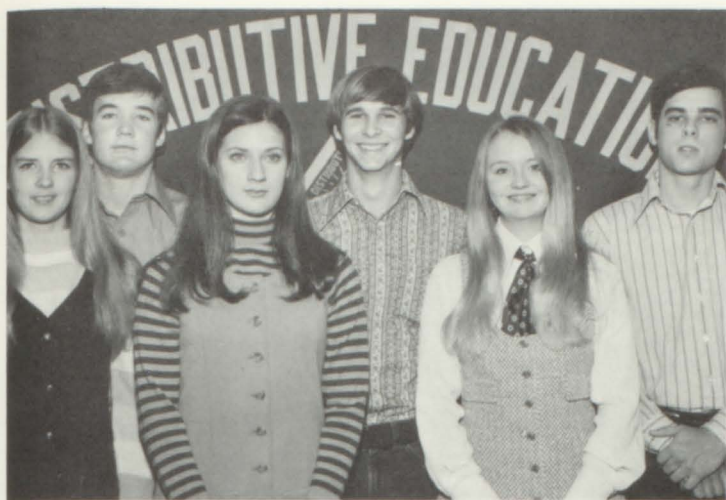

Captain Shreve's Science Club was formed to stimulate interest in the sciences and mathematics among the Gator students. It was designed to encourage creative study involving the use of original research and the scientific method. It was also intended to devise a means of awarding suitable recognition for student achievement in all academic courses.

Educational field trips and guest lecturers played an important part in this year's club. Mr. Matthew Perdue spoke to the group on the study of plant life. Mr. Marlin Timberlake, science coordinator of Captain Shreve, was the faculty sponsor of this organization.

DECA Offers Educational Opportunity

For the fifth year the Gators of Captain Shreve were proud to participate in the Distributive Education Club of America. DECA is the only national youth organization within the nations' schools designed to attract students to careers in marketing and distribution. DECA offers educational opportunities which promote appreciation for the responsibilities of citizenship in the free, competitive enterprise system of our country.

Mr. Otwell was the instructor of the DECA classes. They attended a Spring Employer Appreciation Banquet and the State Leadership Conference in New Orleans, Louisiana.

Christ Challenges FCA to Live for Him

Captain Shreve's chapter of the Fellowship of Christian Athletes was organized especially for the sportsman mindful of his spiritual and physical growth. The young men were ready to seek and to accept the challenges of living their lives with Jesus Christ. They grew in willingness to overcome the obstacles that confronted them physically as well as spiritually. FCA members made special efforts to set good examples for others to follow.

Mr. Tommy B. Powell was the faculty sponsor for the Fellowship of Christian Athletes. He found rewarding experiences as he fulfilled his duties as advisor.

JML Helps Students Make Future Plans

Sponsored by Mr. Llewellyn Cook, the Junior Medical League was formed at Captain Shreve to encourage students interested in careers in the health field. Members attended meetings at which area doctors spoke about the different professional fields.

One of the most useful activities in which the Junior Medical League participated was volunteer work at some local hospitals. This endeavor proved very helpful to the persons involved by introducing the JML member to various hospital and general medical functions. These experiences led many JML members to arrive at intelligent decisions concerning the pursuit of careers in health.

FBLA Participates in State Convention

CS'S Future Business Leaders of America experienced their fourth year of existence. All members of the club had taken at least one course in business administration. This year they sold CS pennants and candles at Christmas.

Among their other activities were inviting local businessmen to speak, and going on field trips to several businesses. They visited Kouns and Walke Insurance Company. FBLA participated in contests at the state convention in Baton Rouge. They entered in spelling and current events. The club was sponsored by Mrs. Daisy Isgett, Mrs. Dorothy Flanagan, and Mrs. Lena Leviston.

TOP RIGHT: Officers are: Christy Hibbard, Secretary; Chris Douget, Reporter; Mike Monarch, President; Sande Rush, Vice President; Donna Peebles, Historian; Becky Edwards, Treasurer. **BOTTOM:** Members are, front row: Debbie Peebles, Mary Anne Moore, Susan Porta, Karen Patterson. Safety Club Enforces Parking Rules

Safety Club made itself known early in the school session by soliciting members, and by selling parking stickers. Each student and member of the administrative staff who wished to drive to school and make use of the parking lots was required to equip their vehicle with a parking sticker. The purpose was to prevent vandalism to cars parked on the campus and to keep unlawful entry to the parking areas to a minimum.

The Safety Council was highly responsible for the enforcing of safety rules in each parking lot. They served as a caution to drivers to park within designated areas and to drive showing concern for others.

TOP LEFT: Officers of the Safety Club are: Jody Doshier, President; Ellen Belchic, Secretary; Carol Leslie, Home Safety Chairman; and Mike Strong, Vice President. **BOTTOM:** Members of the club are, front row: Margaret Boyett, Helene Purgatorio, Joanie Spitzer, Donna Peebles, Sheryl Bicknell, Jill Smitherman, Sharon Marrs. Third row: Bettye Montelepie, Scott Crane, Bill Davis, John Pepper.

Homemakers Club Thinks of Future

The Future Homemakers of America, sponsored by Mrs. Lampkins and Mrs. Mitchell, started the year by making creative toys for children in Shriner's Hospital. For patients in the Veterans Hospital, they provided slippers and robes. Other activities included taking flowers and refreshments to residents of nursing homes, and collecting canned goods for needy families during the holiday seasons.

The FHA strives to help individuals improve personal, family, and community living. It also furthers interest in home economics, home economic careers, and occupations related to this.

TOP RIGHT: Officers are, front row: Gloria Whitaker, sergeant-at-arms; Linda Mahony, parliamentarian; Mrs. Lampkins, faculty sponsor. 4-H'ers Display Projects at Fair

To provide a center of interest in a project related to home economics and agriculture, was the goal of this year's 4-H Club. Through this center of interest, club members became responsible leaders and citizens in their community.

The 4-H Club sponsored many activities throughout the year to increase the individual 4-H'ers knowledge of their projects. Such activities were clothing, livestock, and nutrition workshops. Special interest groups were formed for those interested in conservation. The club also displayed their work in parish and state fairs, parish activities, and the state short course.

Gators Receive Variety of Meals

A variety of lunches were offered at Captain Shreve this year. Two hot lunch lines and a sandwich line accommodated the students and teachers. Under the supervision of Mrs. Kathleen Johnson, the cafeteria workers helped to run the cafeteria efficiently. Included in the various jobs performed by these workers were placing clean silver in containers, keeping the milk boxes loaded, and cooking and preparing the meals.

Student workers took the trays off the conveyor belt, stacked dishes and trays, and racked the dishes for the dishwashing machines. Behind the counter duties included serving the bread, desserts, and sandwiches.

Students Aid in Library Duties

Stamping library passes, providing information, reshelving books, helping students find books, and keeping the library in order, were just some of the duties performed by the library workers. These students greatly aided the librarians in operating the library in an orderly manner.

Students sacrificed their study hall hour to learn more about the library through hard work. They were trained to be familiar with books in every section of the library as it is classified by the Dewey Decimal System. The workers were always on hand to help someone find a book. Library Club members made it possible for the library to be outstanding.

Debaters Host Forensic Tourney

Always very active, the Captain Shreve debate team attended many tournaments during the year. The tournaments they attended were held in high schools and colleges throughout the Ark-La-Tex. They also traveled as far as Houston and Oklahoma. In Houston they visited debate team member, Laura Brabham, in M. D. Anderson Hospital.

At Captain Shreve, the debate club sponsored two of its annual events. In the fall the club hosted the Gator Forensic Tournament. During the spring debaters sponsored the talent show. To raise money for these projects the club sold gator sweatshirts.

Choir, Orchestra Join for Concert

This year's concert choir, under the able instruction of Mr. Richey, kept a very busy schedule of events. On December 21, they combined with the orchestra to entertain many Shreveporters in their Christmas concert. Also planned was another enjoyable concert in the spring.

Members of the choir attended several festivals and activities. Included were two festivals held in Natchitoches. The first, held in March, was the Solo and Ensemble Festival and the other was the District Festival. The choir worked hard to prepare for these festivals in the hope that they would earn a trip to All-State Choir.

Orchestra Attends District Festival

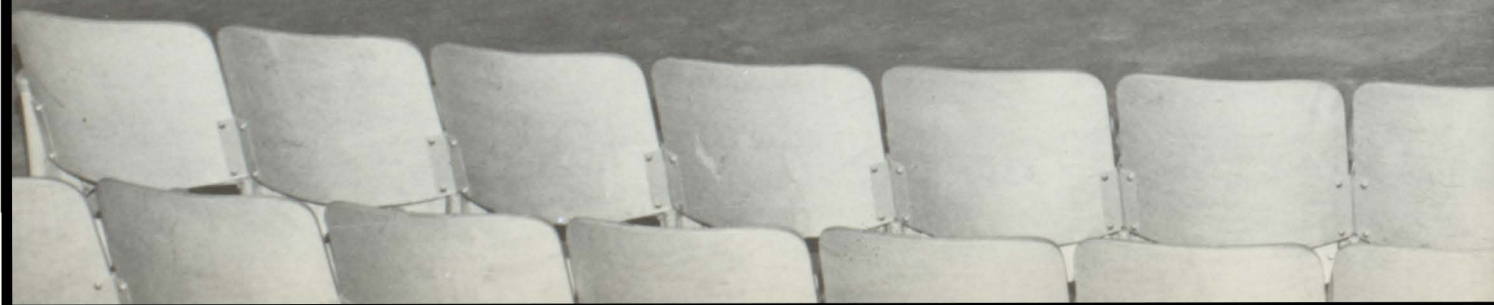

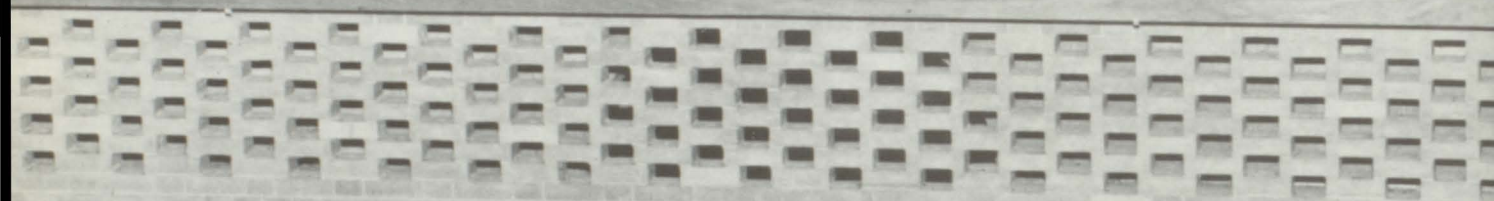

Under the direction of the orchestra leader, Mr. Grambling, this year's orchestra was one that brought great prestige to the school.

At Christmas, the combined talents of the orchestra and the choir, resulted in a Christmas concert that was enjoyed by many throughout the entire Shreveport area. In February, members competed with other schools in the District Ensemble Festival in Natchitoches, Louisiana. As a result of talent possessed in this year's orchestra, seven members were chosen to the All-State Orchestra. As first violinist, Joe Sonnier was this year's concert-master.

Band Leads 1971 Christmas Parade

Our 1971-72 Captain Shreve Band greatly contributed to the prestige of the school. Under the direction of Mr. Causey, the band played at all football games and pep rallies. The band led the Christmas parade in downtown Shreveport, and attended the District Music Festival in Natchitoches. They played several concerts in the area, including the Holiday in Dixie parade. The highlight of the year came in May, when the band traveled to Enid, Oklahoma to attend the Tri-State Music Festival. The Stage Band made over thirty public performances for schools and civic groups. They also competed at the Stephen F. Austin Stage Band Contest.

Football Ad Staff Designs Program

Thirty-one Captain Shreve girls worked countless hours this past summer so Gator fans could enjoy a fine football program. Under the direction of Mrs. Susi Davison, the staff sold hundreds of dollars worth of ads. During the school year, the program was designed and bills were mailed to those who purchased ads. The six girls who sold the most ads were designated as managers.

In January, the staff held a large banquet to honor the champions of District 1-A AAA, and state semi-finalists, the Captain Shreve Gators. In appreciation for a job well done, the staff treated themselves to a trip to Six Flags.

ABOVE: Members include, Bernadette Maxey, Susan McCary, Debbie Marsalis, Jan Coleman, Kay Arceneaux, Vicki Harrison, Becky Bennett, Shirley Oliveri, Bertel Carlton, Jan Thomas, Mary Colquitt, Janet Denhollem, Kathleen Krison, Christy Carpenter.

Paper Exchanged on National Basis

People, places, events — all of this and more could be found in the '71-'72 *Enterprise*. The staff gathered bits of information and converted it into a newspaper for Captain Shreve. Articles concerning athletic events, academics, and organizations were regular items. Poetry and editorials by students other than the staff were occasionally included.

This monthly publication sold for fifteen cents as it had for several previous years. The *Enterprise* was exchanged for other high school newspapers on a national basis. This emphasized the journalistic standing of the paper.

TOP RIGHT: Rosemarie Johnson, Jody Doshier, and Luci Barnes concentrate on the publication of the *Enterprise*. ABOVE: Mmembers of the editorial staff are Gary Woolverton, Debbie Beckman, Luci Barnes, Jody Doshier, Janet Anderson, editor; Rosemarie Johnson, Charles Cook.

Ad Staff Works to Finance Paper

Publications of the *Enterprise* was financed by the industrious efforts of the advertising staff. During the summer and early autumn months, members visited businesses, community leaders, and friends to sell ads. Bills were mailed to advertisers and business managers collected the funds. Ad layouts were drawn up and incorporated into the newspaper.

Members succeeded in selling their sixty column inches of advertising space providing a foundation for the editorial portion of the *Enterprise*. The invaluable support of the ad staff made possible the production of a paper worthy of recognition.

TOP LEFT: Managers of the *Enterprise* ad staff are Kendra Ellis and Kay Grammer. ABOVE: The staff is composed of Catherine Fraser, Barbara Jambor, Kendra Ellis, Kim Cunningham, Toinette Hodges, Lauren VanderKuy, Cindy Wibker.

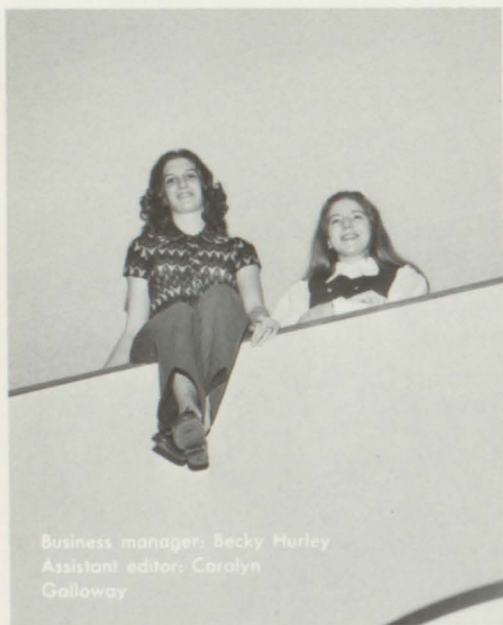

Beginning of *LOG* at Yearbook Camp

Four members of the yearbook staff traveled to yearbook camp. The *Log* was again one of the few books to rate an "A+" for overall quality. Bob Tatum won second place for his cover design; Carolyn Galloway received the first place award for a curriculum layout which depicted school routine; and Becky Hurley received the second place trophy for her activity copy.

At the summer camp, ideas for the theme and cover were born. The group brought the ideas back to the staff where they became the reality of copy and photographs. The conversion of idea to reality was an effort to capture and record memories.

Honor Comes to Shreve's ROTC Unit

Experience as an ROTC student develops maturity, dependability, and qualifications for management positions. It encourages personal honor and provides elementary military training. Students are prepared for roles as citizens and as soldiers.

The ROTC unit received the national award of "Honor School with Distinction" for maintaining exceptionally high standards and demonstrating excellent performance in all areas of the program. This set it above other units in the program. Mr. Powell nominated four Honor ROTC graduates for West Point and three for the Naval Academy as a result of the national rating.

Memorial Service by Color Guard

Robert Rayner, Color Guard Commander, and the Honor Color Guard were responsible for the presentation of the United States flag and the school colors this year. The Honor Color Guard performed this duty at home football games, school functions, parades, and extra-curricular activities. One of these was a memorial service on Veterans Day sponsored by History Club. Taps were sounded and the flag was lowered to half-mast. They marched in parades in Shreveport, Natchitoches, and other cities.

The Drum and Bugle Corps was commanded by Rick Emert. The group provided marching music for cadet parades and ceremonies.

McMillan, Fannon Student Leaders

Roger McMillan, a West Point nominee, was appointed Commander of the Captain Shreve Cadet Battalion. He greatly assisted in promoting individual pride among cadets in his battalion. Gayle Fannon was elected "Little Colonel" to head the ROTC sponsors. The sponsors provided the administrative talents necessary for the cadets to successfully achieve their high honor rating.

The Drill Team formed the traditional arch of swords and fired a volley of M-14 rifle shots honoring the Homecoming court. The Drill Team represented Captain Shreve in drill team competitions and marched in several parades.

TOP LEFT: Members of the ROTC participated in the Veterans' Day memorial service sponsored by History Club. *BOTTOM LEFT:* "A" Rifle Team includes Buddy Stoker, Ruger McMillan, Rifle Team Commander; Rodney Guice, Gayle Fannon, Rifle Team Sponsor; Greg Smith, David Roeger, Mark Stephenson. Records Broken by Rifle Teams

All parish school teams in the Chamber of Commerce sponsored league were defeated by the Varsity "A" Rifle Team. The team broke all team and individual records. The team participated in five Texas matches. The "B" Team also defeated all "B" teams in the parish. Members of the "C" Team competed for future positions on Varsity Teams.

The Special Forces Detachment was designed to operate on rough terrain. Practical application came in a small unit tactics course. Sergeant Major Chiasson sponsored the Varsity Rifle Teams and the Special Forces Detachment. Sergeant First Class Freeman sponsored the Drill Team.

HONORS: 1972

MR. AND MISS CAPTAIN SHREVE
Leland McCullough

and Deenie Carter

Mr. And Miss CS Chosen By LOG Staff

Leland McCullough and Deenie Carter were chosen by the LOG staff as Mr. and Miss Captain Shreve. They attained this honor through their devotion and service to Captain Shreve.

Leland served as the vice-president of the Student Council, member of Interact, and various other clubs. He was also in the National Honor Society. Miss Captain Shreve, Deenie Carter, was secretary of Z club, member of the National Honor Society, and a Student Council Senator. She also served as a member of the pep squad.

Students Elect Class Favorites

Again this year, favorites were elected by the sophomore, junior and senior classes. Each person nominated students whom he felt deserved the distinction of class favorite.

Senior favorites were Richard Hiller and Anne Wedgeworth; juniors, Albert Barro and Vicki Harrison; sophomores, Larry Birdsell and Cathy Showalter. Melaney Culp, Mary Janet Koerner, and Leland McCullough were other seniors on the final ballot. Juniors Brenda Holmes and Terry Brown, and sophomores Linda Wibker and David Samuels were also nominated for class favorite.

Homecoming Tea Sponsored by NHS

Each year Captain Shreve's faculty selects new members to the National Honor Society on the basis of their scholarship, leadership, and character. This year, NHS traditionally served as host to the Homecoming Tea for Gator alumni. Members also participated in 1972 graduation exercises. Junior members ushered seniors to their seats and handed out programs.

Lucy McWilliams and Don Savory were nominated by members as National Honor Society scholarship semi-finalists.

Quill and Scroll Inducts Members

Quill and Scroll is an honorary organization for students who have made worthwhile contributions to the publications of Captain Shreve.

New members are inducted in a formal ceremony each spring. Students of the LOG staff, football ad staff, or Enterprise ad and editorial staff, who have contributed to journalism, qualify for membership in Quill and Scroll.

Outstanding CS Gators Honored

Each spring representatives from the American Legion choose delegates and alternates to participate in Louisiana State. This program, sponsored by the American Legion, is held in Baton Rouge during August. The boys and girls participating have the opportunity to learn about all levels of government by listening to speakers and by campaigning for imaginary political offices.

The National Merit Scholarship Qualifying Test is offered to all juniors. This is the first step necessary to be considered for a National Merit scholarship. Seven students from Captain Shreve received scores qualifying them as semi-finalists, eligible for one of the scholarships offered. Four students scoring in the upper two percent received a Letter of commendation.

All-State Band Members Chosen

During the year the Gator band participated in many contests and festivals which gained many honors and awards for them. Individual band and orchestra members also won awards for their special talents. Sherry Anderson, head twirler for the Gator Band, won some twirling awards as well as being named to the Shreveport Symphony.

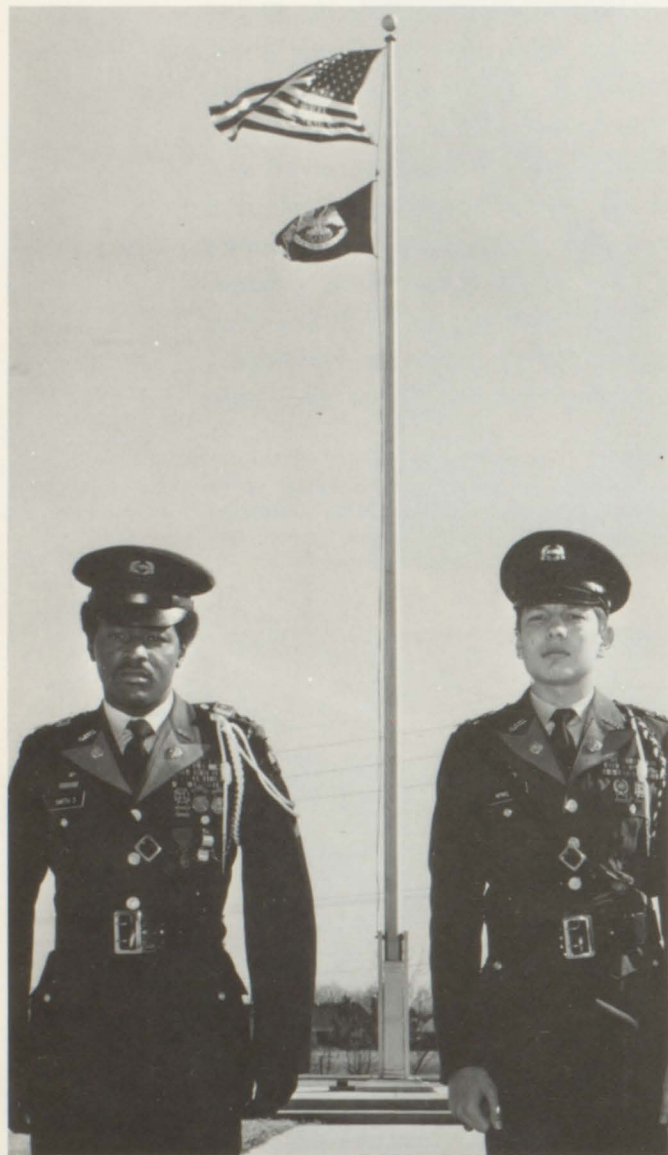

Outstanding seniors in ROTC received several honors this year. Those boys nominated to West Point were Roger McMillan, Sherman Smith, Joe Sonnier, and Rick Emert. Roger McMillan, Mark Stephenson and Sherman Smith were the Naval Academy Nominees. Gayle Fannon earned the honor of "Little Colonel."

CS Debate Team Receives Awards

Attending many tournaments in all areas of the state, the Captain Shreve debate team gained recognition for their ability. They also traveled to several tournaments in Fort Worth, Longview, Houston, and Dallas. Among the many events entered were oratory, cross-examination, extemporaneous speaking, and standard debate.

At TCU, Captain Shreve won honors for speaker points. In the Lafayette Tournament the team captured third place in cross-examination division. Showing their skill, Laura Jayne and Janet Anderson placed first in senior debate at NSU. Second place in cross-examination was won at Louisiana Tech.

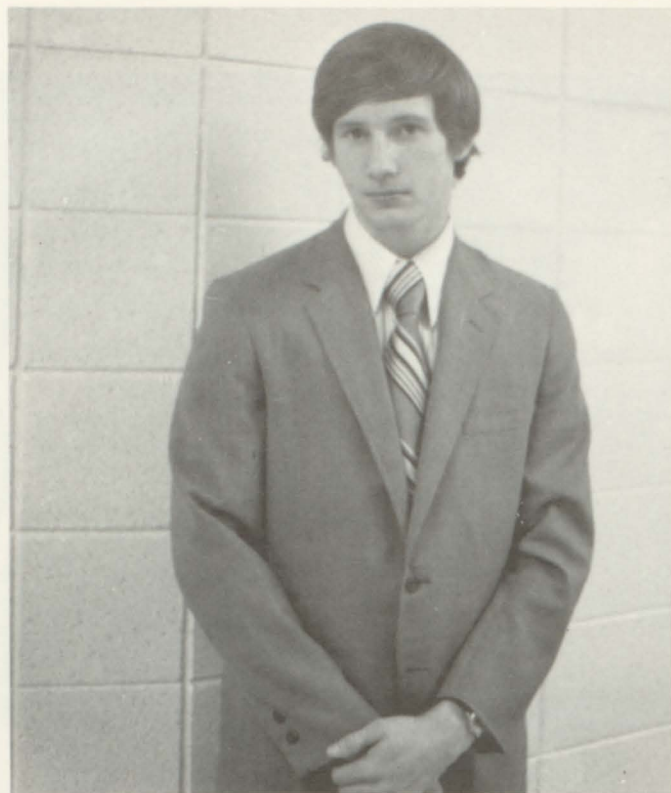

TOP LEFT: Pam Boersig, Brian Lenard, and Kathy Pool each won debating honors at various area tournaments. *BOTTOM LEFT:* John Jopling and Janet Anderson won awards for high speaker points at the TCU debate tournament. *BOTTOM RIGHT:* Julie Watkins, Gary Jackson, and Laura Jayne exhibited their debating skills to win several honors this year.

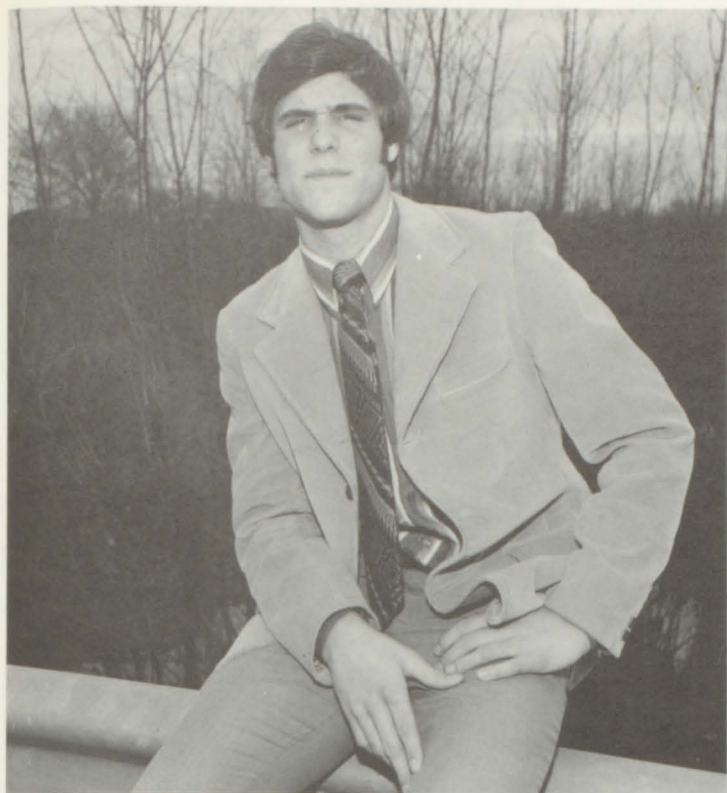

Gators Receive All-Star Honors

Six members of Captain Shreve's district champion team received honors on district and city teams for their outstanding season this year. Gators were well represented on the All-District and All-City teams as well as having two players named to the All-State lineup. Gator Pat Mason was named Outstanding Offensive Player on both the All-State and All-District teams. He was also All-City Back of the Year.

During the 1971-72 basketball season, Tommy Grubb was chosen to the All-tournament team in every tournament the Golden Gators entered.

BOTTOM RIGHT: An outstanding two-year starter for the Captain Shreve Golden Gators, Tommy Grubb broke the school's scoring record with forty points in one game and had a high career score of over one thousand points.

Gators Recognized for Contributions

Valerie Smith and Crawford Crenshaw received the Optimist Awards. They were chosen because of their service to Captain Shreve and the community. Alice Carroll received the distinction of Betty Crocker Home-maker of Tomorrow. Nominated by NHS members as semi-finalists for the National Honor Society scholarship were Lucy McWilliams and Don Savory.

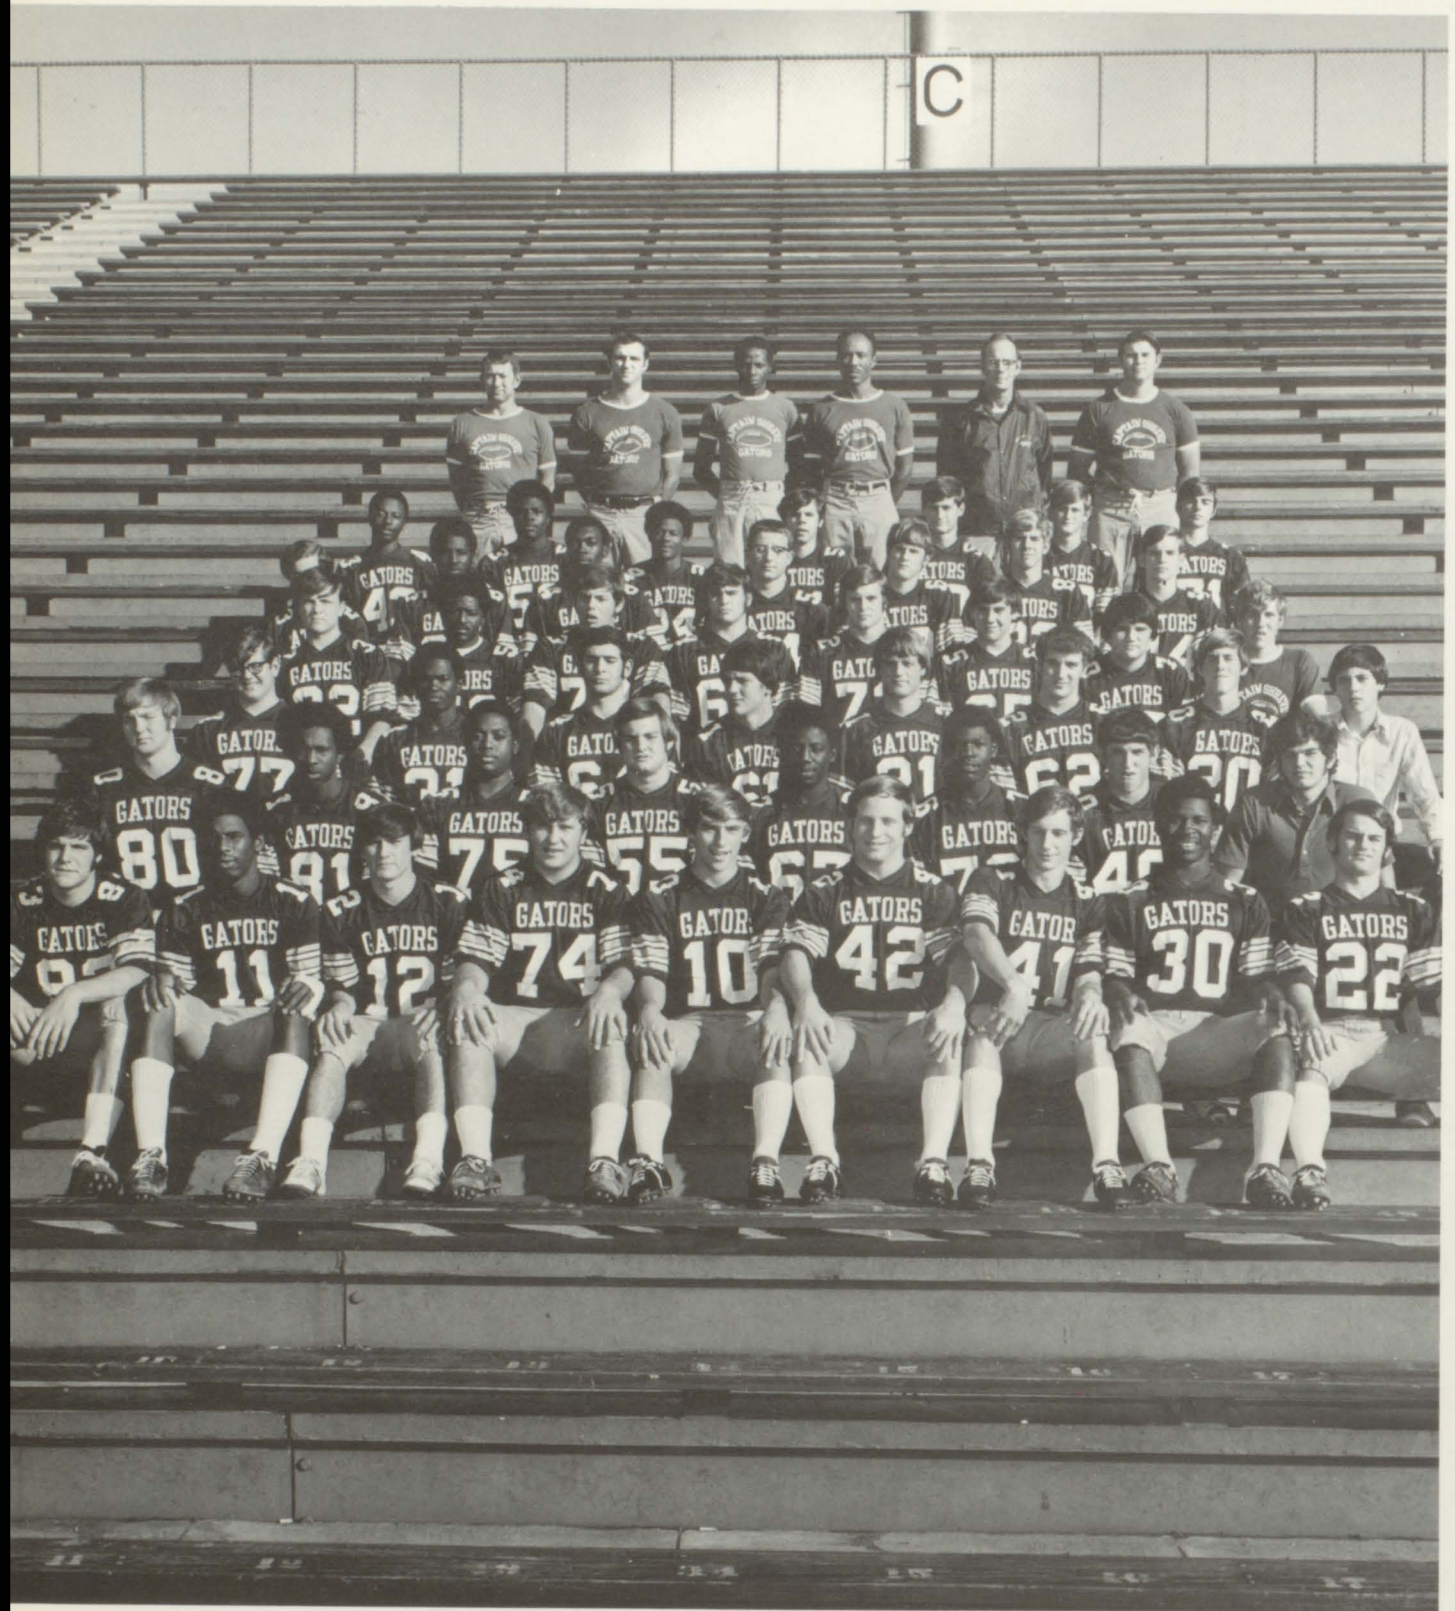

Denise Montgomery, Carolyn Galloway, Becky Hurley, and Bob Tatum received awards for their outstanding work on the 1972 LOG. This year's LOG, again, rated an "A+" when entered in statewide competition.

Defending their District 1-AAAA title, the 1971 Captain Shreve Gators embarked on a record breaking season. The Green and Gold began with a 15-8 win over Neville and followed that with ten more victories.

The Gators were led by Coach Lee Hedges, and a powerful offense. Many teams learned what was meant by the great Gator defense. After capturing the district crown for the second year, the Gators advanced to the bi-district playoff game, the quarterfinals, and the semifinals. Bringing honor to Captain Shreve and themselves by obtaining a 11-1-1 record, the '71 football team showed what it means to be a Gator.

C.S. WINS OPENER, CHOMPS NEVILLE

CAPTAIN SHREVE 15
NEVILLE 8

In a high spirited game the '71 football season exploded with a 15 to 8 victory over the Neville Tigers. Although the Tigers scored first, the Gator defense held them to one TD while the offense racked up the winning 15.

Neville scored on a punt return less than two minutes into the game, but Shreve came roaring back for two touchdowns in the first half. Shreve's first score came when half-back, Gary Clarke, tore in from the two. Terry Eberhardt passed for the two point conversion. The Gators final touchdown was a 13-yard pass to Edwin Scott with David Adams kicking the final point of the game.

CAPTAIN SHREVE 21 RUSTON 20

With remembrances of last year, Captain Shreve nipped the Ruston Bearcats 21-20. Ruston led only once the entire game, near the end of the first quarter. However, the Gators had a 21 to 7 lead at the half.

Captain Shreve's first score was a 68-yard bomb from Eberhardt to Pat Mason in the 1st quarter. Pat Mason gave Shreve another touchdown when he pulled in a 16 yard pass with 16 seconds left in the half. This score and Edwin Scott's TD on a 10-yarder from Eberhardt were the only scores in the second quarter. Although Ruston attempted a comeback, the Gator defense held, assuring Shreve its second victory.

CAPTAIN SHREVE 24 BOOKER T. WASHINGTON 0

In the first district game of the '71 season the mighty Gators rolled past Booker T. Washington, 24-0. In the first quarter Captain Shreve had a 6-0 lead when the Lions were suddenly first and goal on the seven, but the great Gator defense held. From then on it was all Shreve.

At halftime the Gators led 14-0 after Glenn Brian's touchdown run and Doug Yoder's reception in the end zone. Eberhardt then hit Yoder for 23 yards down to the BTW one in the third quarter, and the Gator quarterback sneaked in for the score. David Adams closed out the scoring with his 31 yard field goal in the final quarter.

TOP RIGHT: Front row: Russ Collier, Mike Payne, Maurice Hughes, Lee Arthur Davis, Curly White, Tommy Love, Kenneth Givens, Walter Scott, Paul Hearn, Jim Reeves, Marshall Crenshaw, Robert Wade. Fourth row: Roderick Foppe, Mike Lash, Fred Harrell, Tom Murphy, John Woods, Chester Grigsby, Mike Boogaerts, Larry Birdsell, Pat Reynolds, Ken Alexander.

Vikings Fall as Gators Fight On

CAPTAIN SHREVE 26
AIRLINE 21

Airline thought they had it, but Pat Mason and the Gator offense knew better. Mason caught a 25 yard pass in the final 22 seconds to give Shreve a 26-21 victory over the Airline Vikings.

The Gators got on the scoreboard first when Mason threw a halfback pass to David Adams for 33 yards. Shreve scored again when Eberhardt hit Edwin Scott for 20 yards. There were four touchdowns in the last 6:45 minutes, two by Shreve on drives of 45 and 67 yards and two by Airline on drives of 87 and 73 yards. Airline fought hard to bring the score to 21-20, but the mighty Gators scored last to gain an important district win.

Gators Triumph; Stave Off Walker

CAPTAIN SHREVE 27
WALKER 20

In the fifth game of the season with Walker the Gators brought their record to 5-0. The halftime score was 27-0 as the Gators rolled up four touchdowns in the first two quarters. Walker rallied in the second half for three touchdowns, but the Gator defense allowed no more.

The Shrevemen scored first on Glenn Brian's 10 yard run. Then Eberhardt threw three TD passes, one to Edwin Scott for 13 yards and two to Doug Yoder for 2 and 3 yards. David Adams and Steve Crowder both had big plays for the Gators which set up scores. Adams had an interception with a 42 yard runback while Crowder had a 48 yard end-sweep run. A Walker fumble set up another score.

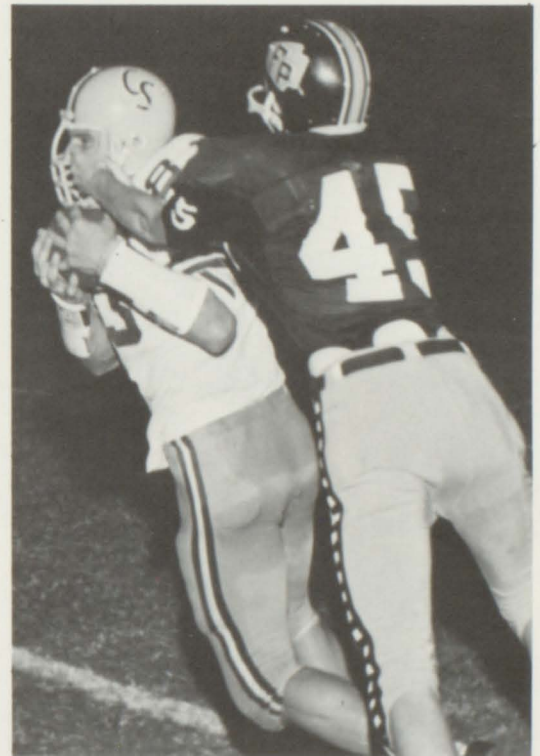

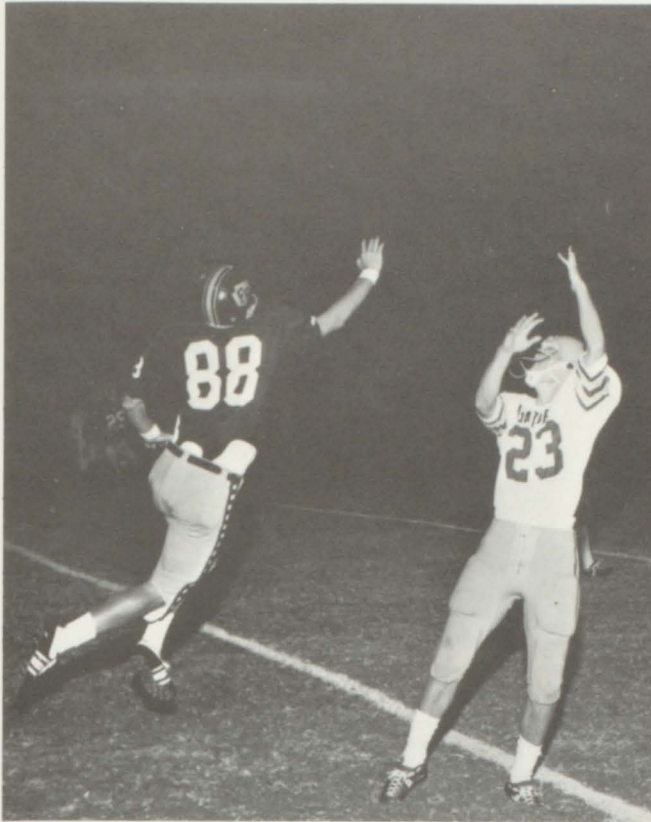

C.S. Wins Again; Hedges Hits 100

CAPTAIN SHREVE 21
FAIR PARK 14

In an all or nothing game, the Gators got it all with a 21-14 victory over the Fair Park Indians. For Coach Lee Hedges it was a significant win, his 100th as a head coach. Again Pat Mason sparkled as an outstanding player.

Shreve's first score was a two yard run by Glen Brian, set up by a great pass reception by Mason. Then after the Indians tied the score at 7-7, Mason swept his left end for a 57 yard TD with only 4 seconds left in the half. The score remained 14-7 until the final play of the third quarter, when again it was Mason scoring on a ten yard run. Fair Park scored again with 7:07 left in the game, but the Gator defense held, giving Shreve a 3-0 district record.

OPPOSITE PAGE, TOP RIGHT: Pat Mason falls after gaining yardage for the Gators as Bobby Pettitt looks on. OPPOSITE PAGE, BOTTOM LEFT: Senior starter, David Abney, drops the Walker quarterback for a loss. TOP LEFT: Richard Hiller strains for a reception. BOTTOM LEFT: Fullback Glen Brian gains ground for the Gators. BOTTOM RIGHT: Doug Yoder is pulled down by a Fair Park defender.

CAPTAIN SHREVE 29 SOUTHWOOD 13

The 1971 Captain Shreve Homecoming, the fourth in the school's history, ended on a glorious note with a 29-13 victory over the Southwood Cowboys. This was the Gators' seventh straight victory of the '71 season and gave them sole possession of the District 1-AAAA lead.

C. S. took the opening kick-off and went 68 yards in nine plays for the first TD. Eberhardt scored on a two yard run. On Southwood's first play Yoder intercepted a pass and ran 29 yards for the score. This and two other turnovers by the Cowboys set up three Gator touchdowns. Mason intercepted a pass and Donald Henry recovered a fumble. Barry Kimble closed out the Gator scoring with a safety.

Gators Halt Byrd; Win 1-AAAA Crown

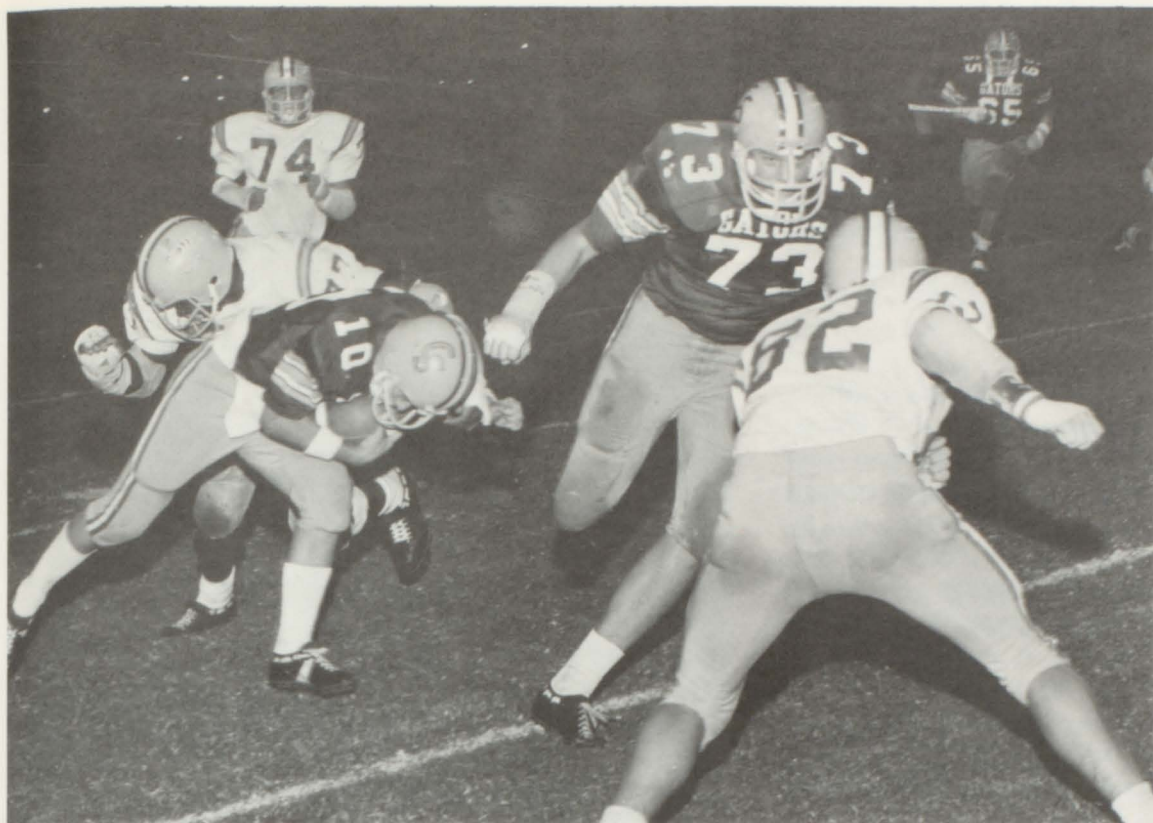

CAPTAIN SHREVE 27
BYRD 21

Captain Shreve's Gators gained the no. 1 spot in District 1-AAAA with a 27-21 victory over the Byrd High Yellow Jackets. The Gators made it 9-0 and clinched their second straight 1-AAAA title.

The Gators had a 21-0 lead late in the third quarter when the Jackets scored twice bringing the score to a close 21-14. The first Gator TD came when Eberhardt made a five yard touchdown run. He then passed to Pat Mason for an 11 yard score and Edwin Scott for a 35 yard TD. Pat Mason made it 27 for the Gators with a fabulous 83 yard run for the TD. Byrd made it 27-21, but the Gator-defense held for a C.S. victory.

New Iberia Falls; Defense Sparkles

CAPTAIN SHREVE 28
NEW IBERIA 18

Trailing at the half by five points, Captain Shreve's bristling defense along with Doug Yoder and Terry Eberhardt turned the game around and gave Shreve their eighth win in as many starts.

New Iberia moved out in front by 12 points in the first half, and Shreve scored on a 64 yard drive of seven plays with 1:10 left in the half. After the half it was all Shreve. The Gators scored on a 13 yard pass to Yoder and after forcing the Jackets to punt Eberhardt ran in from the NI 13. Yoder capped the scoring with a fantastic one-hand catch on four-yard Eberhardt throw early in the fourth quarter.

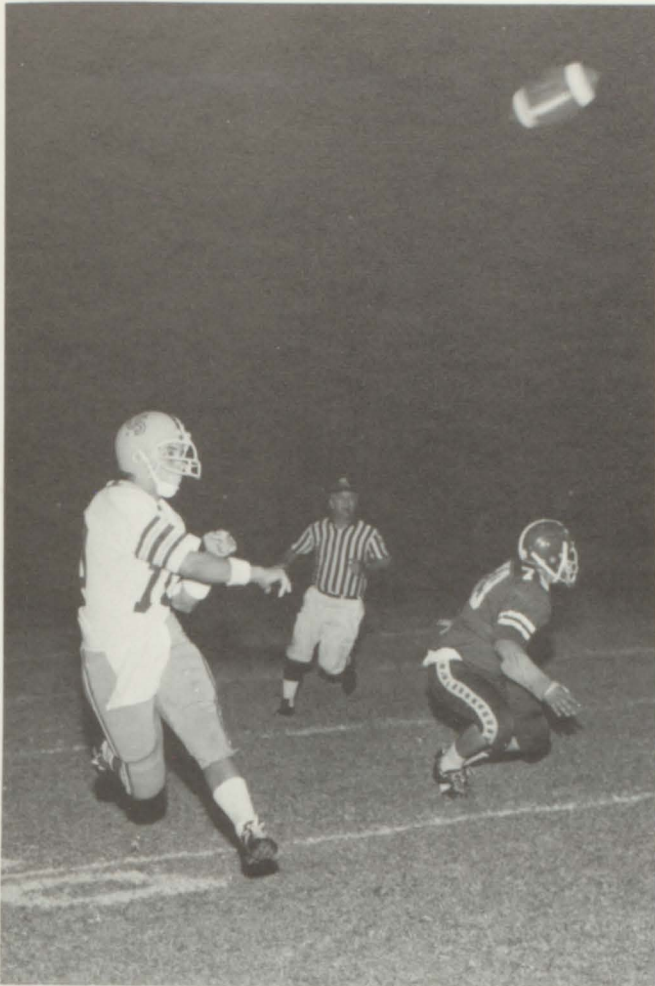

TOP RIGHT: Coach Hedges confers with David Abney on the sidelines. *BOTTOM LEFT:* The Gators line up to await the snap of the ball.

CAPTAIN SHREVE 7 WOODLAWN 7

The Captain Shreve Gators suffered a heartbreaking decision in their final regular season game against the Woodlawn Knights. The Gators were plagued by mistakes throughout the game, but managed to put together a drive in the third quarter with Pat Mason going over for the score. David Adams made his point after kick good giving the Gators a 7-0 lead in the third quarter. The Gator defense did a great job, but the Knights managed to tie it up at 7-7 soon after the Gator TD. This game left the Gators with a 9-0-1 record, the best ever for the Green and Gold. Although the Gator's record wasn't perfect, it was the best in 1-AAAA.

Rams Surrender; Gators Move On

CAPTAIN SHREVE 28
BASTROP 12

Risking their 9-0-1 record in a bi-district playoff game with Bastrop, the Gators emerged victorious and advanced to the quarterfinals. Pat Mason and the defense once again sparkled for Shreve.

Eberhardt had one of his finest nights, hitting 10-of-15 passes for 159 yards and two touchdowns. Both scoring passes came in the first quarter, the first to tight end Doug Yoder for seven yards and the second to split end Edwin Scott on a 53-yard bomb. Then Pat Mason made an 84-yard run to bring the score to 21-12. To wind up the scoring, Glenn Brian ran 19 yards for the TD. The final score: 28-12, Gators.

Tors Blown Out; C.S. Victorious

CAPTAIN SHREVE 20
SULPHUR 18

Defeating the Sulphur Golden Tornadoes by a margin of 20-18, the Gators moved their record to 11-0-1, the only unbeaten record in AAAA. By virtue of this victory the Green and Gold advanced to the semifinals. With the score of 7-12 in favor of Sulphur, Pat Mason turned a third-down-and-seven situation into a 13-yard touchdown. That made it 14-12, and quarterback Terry Eberhardt's 13-yard TD pass to Scott with 5:59 left set up the frantic finish. Sulphur's offense came back to score, but remained behind by two. Great defensive efforts on the parts of David Abney and Edwin Scott kept it that way, and the Gators won it all.

TOP LEFT: Richard Hiller runs for more yardage after a pass reception. BOTTOM LEFT: Edwin Scott waits to receive a pass. BOTTOM RIGHT: Pat Mason gains ground against the Sulphur Tornadoes.

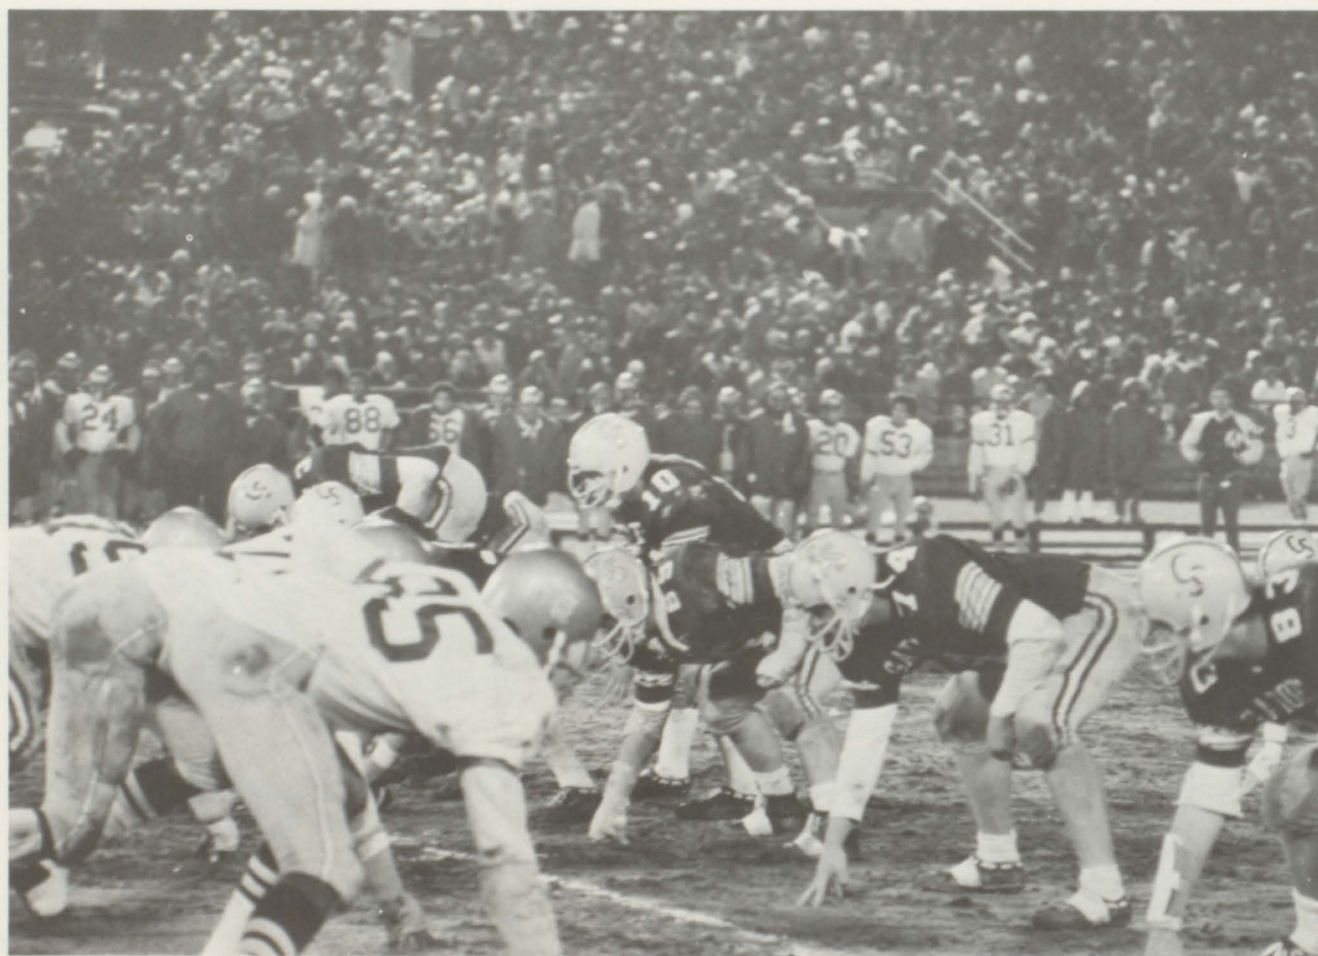

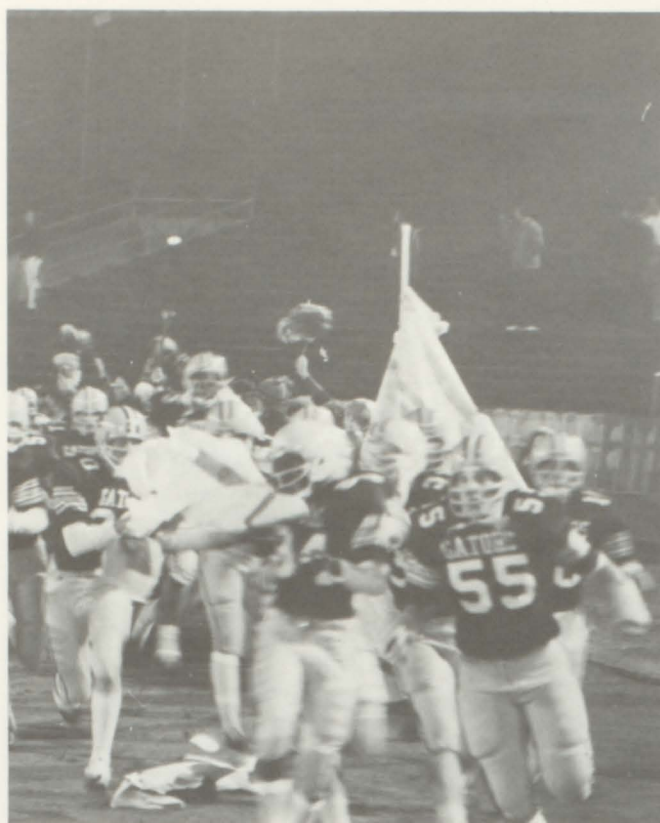

CAPTAIN SHREVE 0 ST. AUGUSTINE 6

Although the Gators put up a valiant effort, the Green and Gold were eliminated from the Class AAAA playoffs by a 6-point margin. The St. Augustine Purple Knights defeated the Gators, 6-0.

The Knights' only TD was the result of a Gator fumble at the 16-yard line. The Gators were forced into several low-percentage third-down situations which stopped their drives. Unable to get any points on the scoreboard, the Shreve offense relied on the tremendous power of their defense.

Fate, mud, and St. Augustine all teamed up on Shreve at the same time, and the Gators suffered their only defeat of the season.

TOP RIGHT: The Gators are high-spirited at the outset of the game with St. Augustine. *BOTTOM LEFT:* The Gator offense lines up against the defense of St. Augustine.

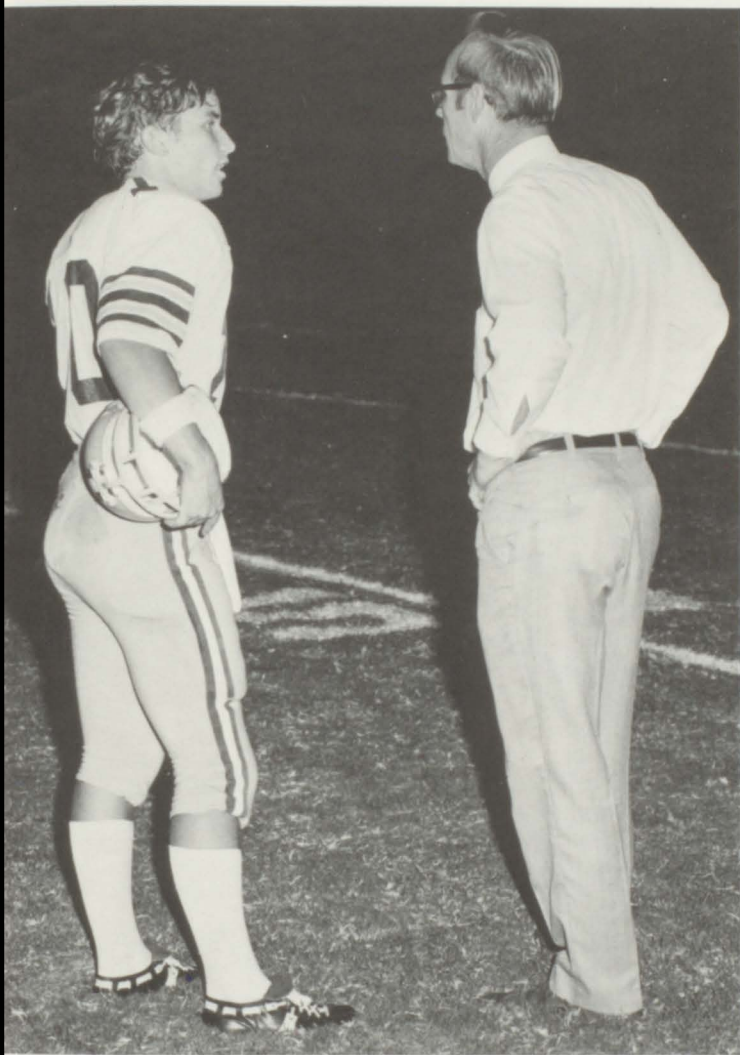

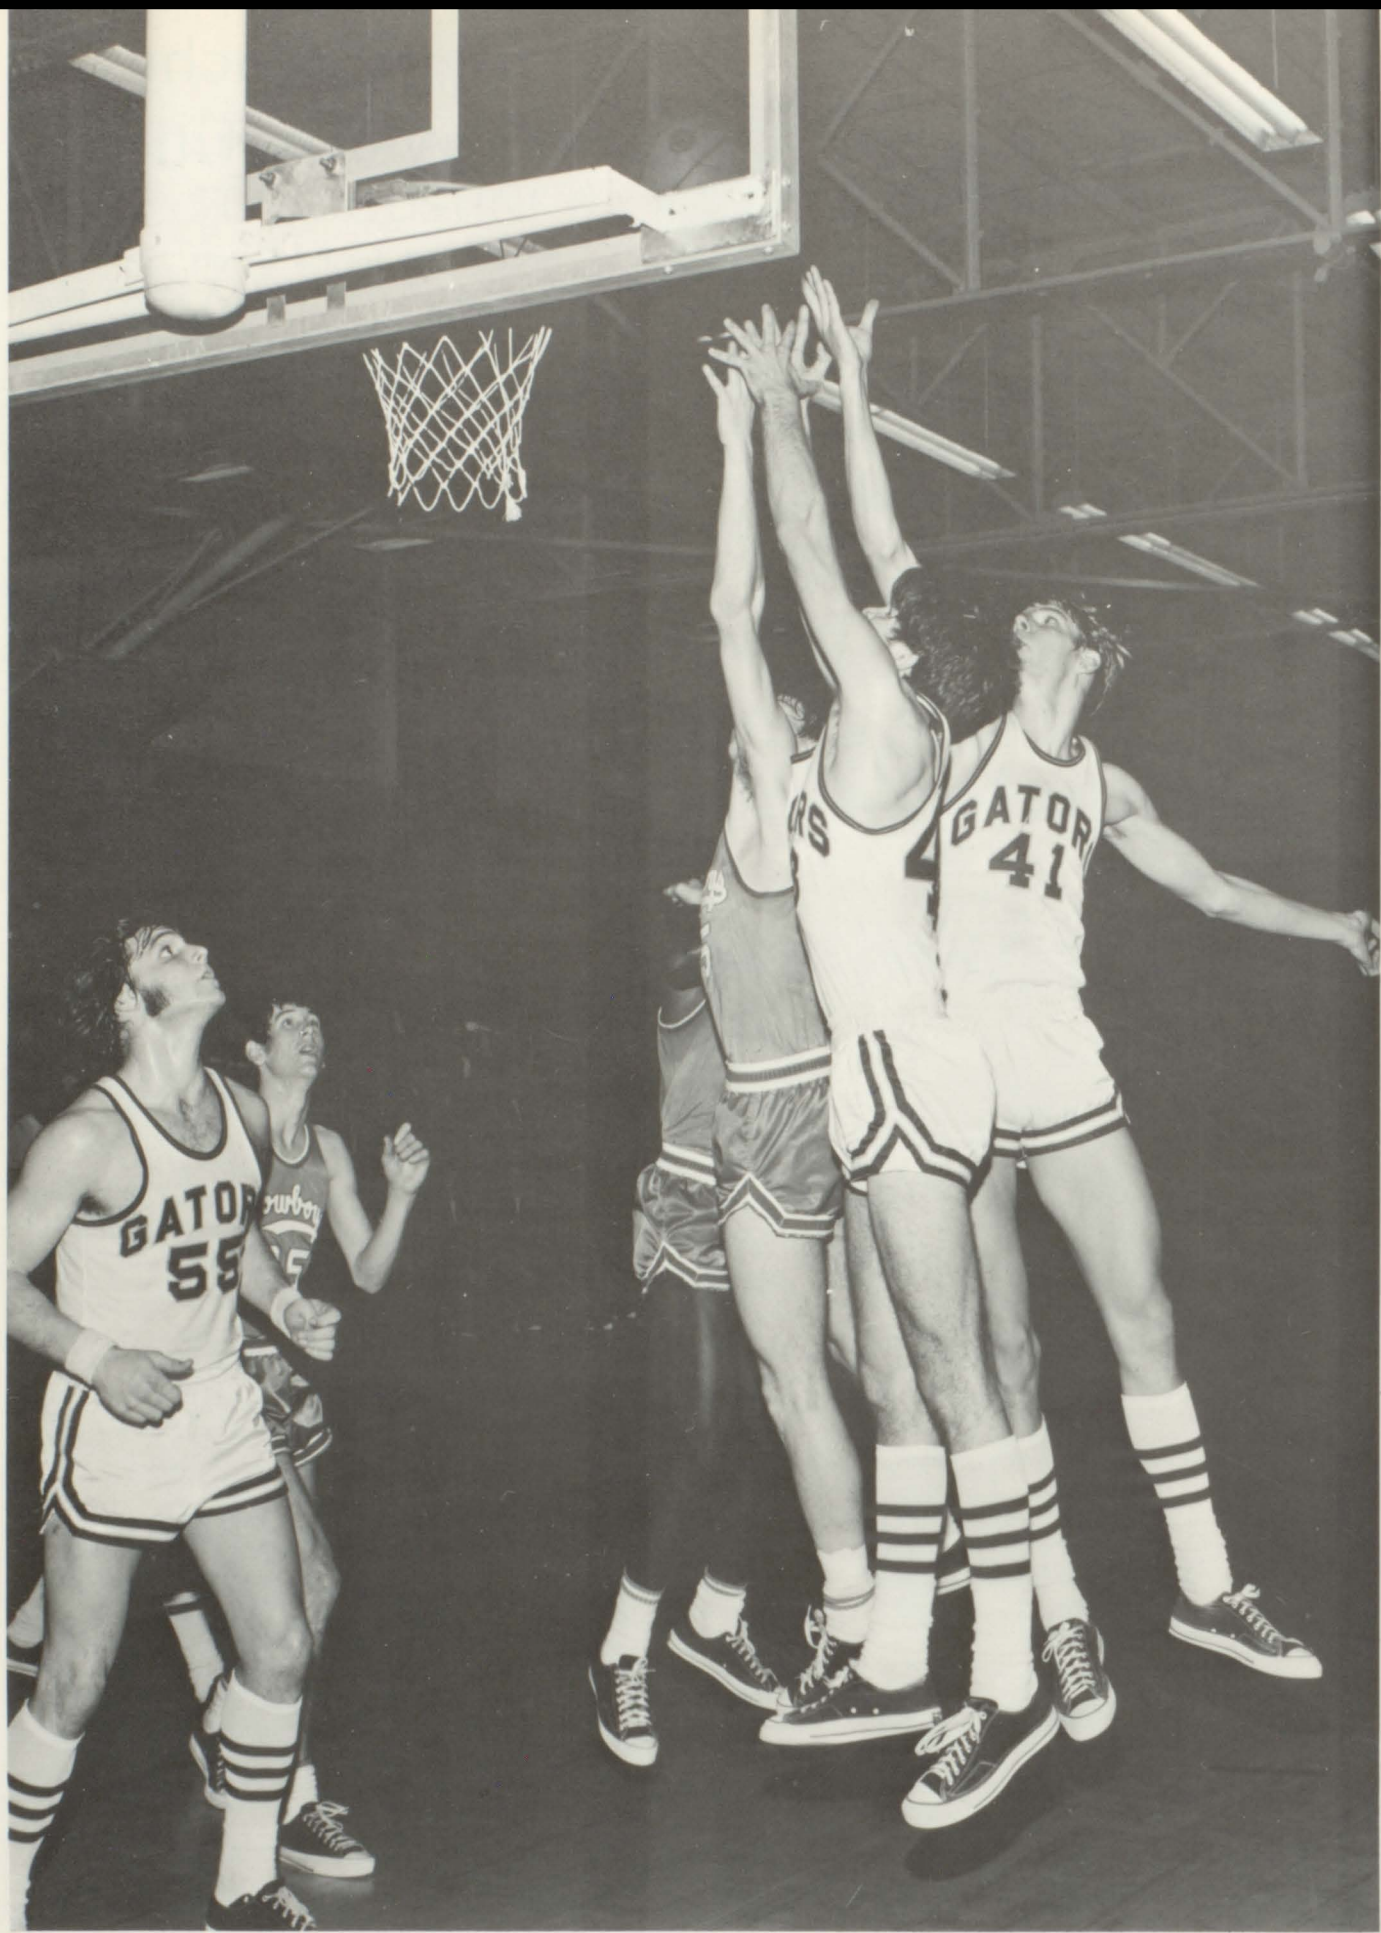

Hedges Coaches to 1-AAAA Title

Head Coach for the Gators, Lee Hedges, was named District 1-AAAA Coach of the Year for the second consecutive year in 1971. Coach Hedges led Captain Shreve to the most successful season they have ever had.

Under the capable leadership of Coach Hedges and his assistant coaches, Tommy Powell, Clarence Conway, Billy Wiggins, Alden Reeves, and Albert Leviston, the Gators defeated eleven opponents, tied one and lost to only one team. In addition to teaching classes the Shreve coaching staff devotes their time, energy, and knowledge to the betterment of the Gator football team. C. S. will always be grateful for their efforts.

Golden Gators Enter Winner's Circle

The Golden Gators dribble down court, shoot from the outside, rebound, shoot again, and C.S. scores. So continues the excitement of another season for the Gators' basketball varsity.

Under the guidance of Coaches Billy Wiggins, Peter Gray and Albert Leviston, the Gators were led to victory. There was excitement in the defeat of district favorite Woodlawn and the capture of first place in the Airline Tournament. Tommy Grubb made forty points in one game against Airline to set a new school scoring record. Events such as these made the 1971-1972 basketball season a year to remember.

'71 Baseball Team Brings CS Honor

Posting a 1971 record of fourteen wins and five losses, the Gator baseball team improved their 1970 record by nine wins. Captain Shreve's rapidly improving baseball team entered the 1971 season with an optimistic outlook and came out on top. Coaches Reeves and Leviston expected great things from the men on the squad.

Looking forward to the 1972 season the baseball team practiced many long hours. Setting the pace for the team were returning lettermen Jerry Rowland, Keith Perrin, David Adams, Tommy Wall, and Pat Mason. Other returning players were Chuck Cline, Lawson Pair, Buddy Hallett, and Bill Johnson.

Gators Compete With Area Teams

Track, one of the many Spring sports of Captain Shreve, brought additional honors to the Gators in the '71 season. The Gator team participated in several area meets. The 880 relay, one of the most interesting events in the sport, consisted of a perfect team. The team had an outstanding time of 130.5, one of the best throughout the season.

In individual competition, several members of the team qualified for the state meet. Those returning this year include Pat Mason, who enters the hurdles and broad jump; John Stephenson, high jump; Russ Bryant, discus; Randy Moore, mile run; and Terry Eberhardt, javelin.

Shreve's Golf Team Takes State Again

Hard and strenuous practice paid off again for Captain Shreve's Gator golf team last season. The team came through again to win the 1971 state championship. This performance followed last year's champions who were nearly disqualified because of a mistake in scorekeeping.

Returning for the 1972 season are Randy Simmons, Ben Lay, Jeff Hicks, and the only female player Debbie Marsalis. New members include Bobby Pettitt, Jerry Pettit, and Tim Carlton. The team, which is headed by Coach Wiggins, is highly confident in a successful season and a third state victory.

Gators Rank No. 1 District and State

Our 1971 tennis team, headed by Mac Griffith, brought much pride and honor to Captain Shreve last season. After reigning as the 1970 co-champs the Gators came through to win the District and State championships.

Leading in individual honors was Reese Baker who placed second in the state. Teaming with Kathy Bullock the pair won the District championship. Also as a team Reese and Janice Aiken ended with a victory which meant the State championship in doubles. Members returning to the team this season include Anne Wedgeworth, Susie Sandifer, Rebecca York, Vicki Harrison, Melanie Harrell, Greg Tooley, DAvid Deufel, and Reese Baker.

'71 Team Begins With First Place

Captain Shreve's swim team began the 1971 year with a great success. In April competing in a meet against Southwood, the girls came away with first place and the boys team lost by just a small margin. In May the team went to New Orleans for the state swim meet and placed sixth out of the twenty-two teams there.

Coached by Mrs. Hare and Coach Gray the team is confident in winning state in the 1972 season. Returning lettermen are Patti Long, Kim Cunningham, and Jim Smolenski. New members who are expected to letter this season are Keith Nathan, Beth Frazier, Chris Wood, Martin Poole, and Susan Deufel.

Gatoresses Show CS Enthusiasm

Boosting spirit sky high, the Pep Squad provided cheers for pep rallies, football games, and basketball games during the year. Sponsored by Miss Joyce Jordan and Mrs. Alma Moore, the Gatoresses participated at football games by performing marching routines at half-time. Making banners for each game and sending spirit boosters to the players were activities included during the year.

When Autumn came, the Pep Squad marched in the Veteran's Day Parade. Also during the fall, the Gatoresses sold candy. The money made from the sales helped to pay for trips to out-of-town games and a banquet held at the end of the year.

Al E. Is School Spirit Booster

Since 1970, Al E. Gator has become a traditional figure at Captain Shreve sports functions. Big Al was chosen as the school's biggest symbol of spirit and enthusiasm. In the Spring of 1971, the Gators selected John Elsey as the third Al E. Gator.

John performed his duties as Big Al with the spirit and diligence that has become associated with the Gator symbol. Al E. appeared at all Shreve's football and basketball games. On many occasions he performed with the band and Pep Squad during the half time ceremonies. John served Shreve well in his role of Al E. and that symbol will always remain an integral part of C.S.

'72 Cheerleaders Boost CS Spirit

The 1971-72 cheerleaders, led by head cheerleader, Melaney Culp, and their sponsor, Miss Sandra McCalla, worked hard all year painting banners, planning pep rallies, decorating the goalposts, and boosting the spirit of Captain Shreve.

Attending cheerleader camp at S.M.U., in the summer of '71, the Gator cheerleaders won a blue ribbon every day of competition and received the spirit stick, which was given to the most spirited cheerleaders at the camp. Elected in the spring of '71 by the students to be their representatives of C.S. spirit, the Captain Shreve cheerleaders lived up to the name and honor of a cheerleader.

The End of "A Year To Remember"

We the members of the '71-'72 LOG staff have captured the memories of a very special year in a book of pictures and words — you the people must add the life and feeling. Look back upon this school year as a year to remember.

1972: a year of achievement, spirit, adversity, caring, friendship, growth, and lasting memories.
